HINTS SECTION

This book is not intended to be an instruction book on how to use your machine or how to chart your garments. There are a lot of excellent books on the market for that. It is assumed that everyone has a basic knowledge of their knitting machine and how to set it up for pattern work. Therefore, there are a minimum of instructions on machine set up. When they are given, it is for the KH930/Comp3 only. All sweaters were knitted on the KH930.

Some of the Hints in this book are a repetition of the Hints in the Indian books. Because my ideas are still the same, there was no need to change the wording. But do read on beyond this first page as there are extra Hints and Tips added throughout the Hints Section. Some Hints that were in the other book were deleted as they didn't apply to this book.

One of the best books on the market today for charting on your Charting Device is by Mary Louise Norman of Denver, Colorado called "Nicely Knit Lines". We are very fortunate to have someone so capable of putting into words her ideas on charting for the charting devices.

Another excellent book for ladies that like to chart their garments mathematically is "Chartrite" by Norma Sweet of Tacoma, Wash. You can buy these books at your local Dealer or write directly to them. You will enjoy the wide variety of information in them. Contact them at the below addresses.

I am sure there are many other excellent books on the market today for charting both with the charting device and mathematically, but I am not familiar with them.

WARNING: If you are using the floppy disk, please try to keep them away from all magnets you may have around your knitting machine. Magnets can completely erase a whole disk, tracks only, or destroy just part of a pattern on a track. When you receive your disk in the mail it would be a good idea to program a back-up disk to store in a different area, then if one is damaged you will have one to fall back on. Keep your disks at least a foot, preferably more, away from anything magnetic, such as telephones, TV's, even staplers are magnetized. Hopefully this information will eliminate some of the problems with lost or missing tracks on your disks.

2nd page of Hints Section

A lot of the following tips are well known by experienced knitters, but keep in mind there is never just one way to accomplish a particular task, there are many ways; these are just some that I prefer. The hints are more for the beginning knitter that doesn't have a Dealer or knitting friend nearby to help her. Some of them I came by, by trial and error, others through the help of knitting friends.

Definition of casting on with waste yarn and ravel cord. Weaving brushes down, cast on your required amount of stitches. Knit about an inch, then knit 1 row with ravel cord. Change to your main color yarn and start your sleeve, etc.

Your contrast color numbers will always be listed at the top of the 1st page of each pattern under **YARN:.**

STITCH GAUGE: You may have to take several stitch gauges before you arrive at the correct one. All machines are different and it's rare that you would get the same identical stitch gauge on your machine that I would have on mine. So always take your own stitch gauge before you start a sweater. If it isn't correct, then your sweater is going to end up in a drawer, which would be a waste of your time. It is more important to get your correct stitch gauge than row gauge. If you are getting your correct stitch gauge but not your row gauge, try adjusting the tension on your tension rod.

Yarn amounts used will be given only for the size sweater that was knitted. It is to be used only as a guide, so you will have to make the adjustments on yarn according to the size that you knit.

When only 1 row counter number is given on the written patterns, then use that number for all sizes.

Punchcard: When you divide your neckline, first record the punchcard pattern row on which you stopped. When you start the 2nd half of your pattern, re-set your row counter and your punchcard to the correct row numbers.

The following 4 tips apply only to the **KH930/Comp3.**

KH930/Comp3: When you reach your neckline, push your M button to memorize the row on which your neckline was started. When you're ready to start the 2nd half; your carriage will be on the right. Push your M button again to begin on the correct row. Re-set your row counter number to the correct row to begin your 2nd half.

When you are knitting in pattern and hear the buzzer, knit 1 extra row for a complete pattern.

Watch your memo window for color changes. Change colors when the number is flashing.

Always set up your pattern 1 row before the row number given on your written directions. Example: Directions say to start on <u>RC 100.</u> You would then set up your pattern on <u>RC 099.</u> Always set

your carriage outside the turn mark when you are programming in a pattern. You can program from either the right or the left side.

KH930/Comp3: When you are on any pattern that has empty rows, take out your yarn as soon as your pattern needles go back to B position. Hook your contrast yarn onto the end of your needlebed and knit with your main color yarn only. Your end needles will still come out each row, so push them back every row or your end stitches will fall off. When your pattern needles come out again, insert your contrast color back into feeder #2. By removing your contrast yarn on the empty rows, you will prevent the long floats across your needlebed.

Square armholes were used on all of these sweaters with the exception of 1. My feeling is that the drop shoulder sometimes puts too much bulk on a small child. If you would like to knit the drop shoulder, then by all means, knit the way you enjoy most. If you change to a drop shoulder, then check your pattern to see how many stitches you would have decreased at your underarm. If the pattern calls for 8 stitches to be decreased at the underarm, then you would have to subtract about an inch off the length of your sleeve, as the more your sweater hangs over the shoulder, the longer your sleeve will become.

The smaller sizes of square armhole sweaters have about an inch of stitches cast off at the underarm. As there becomes more of a difference between shoulder measurement and chest measurement (plus ease), there will be more decreases at the underarm. If you do not want such a deep cut as on some of them, then cast off less, but again you will have to make up the difference in the length of the sleeve. Without the underarm decreases your sleeve will hang over your shoulder more, hence it will be too long.

SIZING: In our very large family, there are many children of all ages and sizes. My decision was not to go with any published measurements for children as they are all different and I couldn't find too many that matched our children's sizes with the ease that I wanted. So all of these children were measured and measurements were recorded for each one. Measurements of children that were approximately the same ages were compared and an average taken.

You will have more ease in these sweaters than most. Children grow so fast, so this will give them an extra 1 or 2 seasons of wear.

Armseye measurement for armhole depth: What I believe was most important was the armseye measurement. Slide measuring tape under the underarm and come up over the shoulder. Don't make it too snug. If it measures 14", then half it for a 7" drop on both front and back armholes.

Arm width: Measure your arm at the widest point which is at the underarm. When you add your ease which will be between 4" to 6" you should have the same measurement as the front and back armhole depths added together. Armhole depths front and back: 7" = armhole width: 14".

4th page of Hints Section

Arm length: Let them stand with their arm hanging normally, not stiffened. Measure from the bone in the shoulder straight down to the bone in their wrist. As children grow so fast, you can always add extra length in the ribbing. Have then turn it back for the 1st year. As they grow taller, then no more folding. On many of these sweaters, it will say 30 rows of ribbing. On smaller sizes, approximately 40 rows was knitted so they could wear the sweater for several seasons.

Chest measurement: Measure all the way around starting at the underarm. Ease on these sweaters has been anywhere from 4" to 6".

Shoulder measurement: Measure from shoulder to shoulder for a child. Do not deduct anything from this measurement as they grow so fast.

Neck measurement: Start at the top of the neck and with your eye, follow down toward the base of the neck where the neck starts becoming wider. At that point, use your ruler to measure your width. If your child measures 5", add 1" or more to that width when you knit your neckband.

Neckline depth: Back neckline, all sizes: 3/4". Front neckline: For the smallest, which is a size 2, use 2.50". For sizes 4 through 14, use 3" in depth.

Sweater length: Start at the bone at the back of the neck and measure down the back, following the curve of the back. Length was arrived at by the children's preference, not mine. They stood in front of a full length mirror and pointed to the area they wanted the sweater length to be. On some of the sweaters, special requests were made for oversize and longer sweaters so a few were knit this way. This will be noted at that special pattern. No matter how young they are, they have very definite ideas on what they like. Sometimes a measurement length was made longer for a more balanced look.

TO LENGTHEN A SWEATER OR A SLEEVE: If you want to lengthen a sweater or a sleeve, study the design awhile first before you decide on which pattern you will make your change. On the sweater, make your changes before your underarm decreases. You may want to knit the border twice for the extra length. Or you may just knit extra rows on the ribbing. If you are knitting a pattern with a fleck in it, you may want to knit extra rows of the fleck. Regardless of which one you choose to do, wait until you have knitted the number of rows for your written pattern, then turn your row counter off. Knit your extra rows, then record the amount. When you have finished knitting your extra rows, then turn your row counter back on again. This way you will still be able to follow all of your Row Counter changes at the correct row.

If you lengthen your panel at the fleck, always **stop** on a pattern row, not an empty row. This is because your following 2 rows on the written pattern will always be 2 rows of your main color before you begin your next pattern.

5th page of Hints Section

To make a longer sleeve, study the photograph to get an idea on pattern placement. For just a little extra length, you may only need extra rows in the ribbing. For more length, if one of your main patterns is centered in the middle, such as "Polly Put The Kettle On", then add the extra rows of the small design to both the top and bottom of the sleeve to keep it balanced.

The measurement chart is to be used as a starting point. It's always wise to measure your child first, then compare their measurements (with ease added), to the measurements on the chart. The chart is the finished, not actual measurement.

The wonderful part about knitting a sweater ahead of time is that if you don't like something, you can always change it in the written pattern or design. After "Yankee Doodle Came To Town" was knitted, his hat looked like a "sombrero" so on the design now, you will see I changed the hat.

SQUARE ARMHOLE: The following information is for the ladies that want to pick up their stitches from the armhole and knit from the top down. If you decide to knit your sleeve this way, on **KH930/ Comp3** machines, push your #5 (upside down) button. Even the fleck will look different if you don't use your upside down button; the "V" of the knit stitch would be upside down.

If you are knitting from the written pattern in the Nursery Rhyme book, pick up the amount of stitches called for. If you are knitting a different size, then use the information in the following paragraph.

When you pick up your stitches from the sweater armhole to knit from the top down, don't pick up every single loop without also picking up some knots. If you only pick up every loop, it causes the top of your sleeve to draw in too much. If you pick up too many stitches and knots out of the armhole, it causes a ballooning effect. Pick up every loop on the outside edge anywhere from 3 to 6 times before picking up a knot. After the knot is picked up, sometimes it is hard to see the next loop, but it is there so don't skip it. After all stitches are picked up, leave the stitches in the hooks of the needles, then pull all needles to holding position. Start with the tail of yarn on your left and with your main color yarn, latch tool on behind the needles going from left to right. This will hide any unsightly holes that may develop. If you are knitting in 2-color knitting, it will also hide different color stitches that have been picked up and will give it a more even look.

SWEATER CHANGES: Sometimes extra rows were added to the length of a sweater to make a design more balanced, and a few times rows were deleted for the same reason. Also, extra rows were sometimes needed because the design was extra long. A little more or a little less isn't going to make that much difference in a child's sweater. If the extra length is in a sleeve, just roll back the cuff until they grow into it. If the extra length is in the sweater body, blouse it up a little. If the sweater or sleeve was

made a little shorter, then block it a little longer, which is very easy to do on an acrylic.

Charting Device: If you want to knit on the charting device, draw your pattern after your measurements are taken. The difference between the shoulder measurement and the chest measurement, plus ease, is the amount you will cast off at the underarm. When using your charting device, take a "**dry run**". Do this before you start your ribbing. Set your RC at 000 and set the row gauge on your charting device. Run your carriage back and forth until you come to your neckline, then record the number of rows. Compare the row amount with the row amount on the written directions of the pattern that you will be knitting. Make adjustments on pattern placement before beginning your pattern. To me, the charting device is the only way to knit. I have used it faithfully for many years. You will receive a more accurate fit using your charting device than any written pattern will give you.

It has now been 29 years since I started knitting on the machine and I still love every minute of it. My 1st 10 years were spent on the Passap, which I dearly loved, but I didn't know how to chart. So my 6 sons and husband (Hal) wore drop shoulder Norwegian design sweaters and fisherman's rib sweaters for 10 years as that was all I knew how to make. When the charting devices came onto the market, Passap didn't have one at the time, so I changed to the Studio machine because of the charting device which is half scale. After several years, I changed to the Brother knitting machine because it had the full scale charting device which made it easier for me to see the stitches on the rulers. A charting device is one of the best investments you will ever make, very easy to learn and well worth the money. On a lady especially, you will have a much better fit by using the charting device.

DISK DRIVE: When you are programming a track into your machine from your disk drive, everything that is in your machines's memory that you have input yourself will be erased (555 patterns are in permanently and cannot be erased). If you want to save any designs that are in your machines memory, save them to a floppy disk before programming in another track.

Sometimes you will have more than 1 track for a pattern. You don't have to clear out the old track when you are ready to program in another track. When you are working on a pattern and program in your next track, your old track will be erased, but your needles for the last row are already in D or pattern position, so that will always be your last knitted row of the track you had been working on.

MIRROR IMAGE: KH930/Comp3: When you are knitting mirror image, push Selector #2 with 2 repeats and push #2 mirror image. Your machine will automatically set your first needle position. If you are designing an animal, have the face facing toward the right. Then when you press mirror image you will have 2 heads facing each other, not 2 tails. However many blank stitches you have to the right of the head, that amount will double on mirror image.

7th page of Hints Section

MIRROR IMAGE: KH910 and KH950: This won't be repeated each time in the written patterns. To knit Mirror Image, put your #2 key in the up position, all others down. Pattern Selector at middle position. Program your pattern 1st as an A pattern, then again as a B pattern. Check your instruction book for programming A and B patterns.

SINGLE MOTIF: When you are knitting single motif on the KH930-Comp3, your contrast needles will come forward to D position when in pattern. Always wrap the first needle in B position that is adjacent to the Needle in D position, but on the carriage side only. Sometimes the B position needle will be the main color, other times it will be the contrast color. When you wrap this needle, try to use the same color wrapping yarn as the needle in B position on your needlebed. A different color will show through to the other side the majority of times.

If you are using a heavier ply yarn for your single motif sweaters, split it into single strands when you are wrapping the stitch on the back. It makes less bulk in the sweater.

Sometimes when knitting single motif, your carriage will jam. A majority of the time it will be caused by the contrast yarn getting caught on something underneath your carriage. To eliminate this, use your finger to hold down on the contrast yarn as it comes out of the feeder. Hold it down until your carriage just passes the spot where you will have your needles in D or pattern position, then let go. It eliminates a lot of jamming. Also knitting slow and steady will help; knitting too fast can cause problems.

Sometimes you have a yarn that won't knit properly on a lower stitch size. Using Lori-Lynn yarn spray on your yarn usually corrects the problem. Put your yarn into a plastic bag before you spray it to eliminate fumes coming into your room.

No matter how clean you keep your machine, if you use hold position to shape your neckline or shoulder stitches, you sometimes will get either a black line across the front of your sweater or some furring of the yarn on the purl side. When you are using a lighter color that will show these marks, use a ravel cord to knit your stitches back to out of work position. This usually takes care of the black line. It takes a little longer but it is worth it.

When you are short rowing your neckline, whether you choose to use hold position or knit it back out of work with ravel cord, don't knit more than 2 rows before pulling a stitch into non-working position, regardless of which method you use. If you knit more than 2 rows without putting at least 1 stitch into out of work position, it will cause a puckering at the neckline. Once you have knitted more than 2 rows without putting a stitch into out of work position, start using a permanent cast off.

When your carriage is on the side of your needles in hold position and your charting device or written pattern shows more than 1

stitch to be short rowed, pull out the required amount of stitches. Weave your yarn under and over the needles in hold position, finishing with the yarn coming over the top of the first needle in

holding position (carriage side). Knit 1 row over all stitches when finished to get rid of the double stitches, then remove on waste yarn.

NECKLINE FINISHING: Close one shoulder. With the purl side facing you, pick up every loop from the outside edge, pick up several knots, plus neckline stitches that you have on waste yarn. Work from right to left. When you reach your 1st stitch on the waste yarn (main color, right side) put this stitch onto the last main color stitch picked up. When you have finished hanging your last stitch from the waste yarn, the very next main color stitch that you pick up, put it onto the last stitch hung from the waste yarn. This helps eliminate the holes we sometimes see on neckbands. Leave the stitches in the hooks of the needle and pull all needles to hold position. With the tail of the yarn on the left, latch tool on behind the stitches going from left to right. When finished, push your stitches in the hooks up against the latched on stitches.

No matter what stitch size you use on the 1st row of your band, go 2 full numbers higher on the 1st row only, then set your tension back to the correct stitch size. The higher stitch size on the 1st row makes it easier to pick up stitches above your ravel cord when you close your neckband. After you knit your first row, use a contrast color ravel cord and weave in and out between the needles by pulling the needles out slightly as you are weaving.

You are now ready to knit the 1st row of your band. Whatever your stitch size is on the body of the sweater, the majority of times you will start with that stitch size on the band. Example: 24 row band. Every 3 rows tension down 1 notch. Start with Stitch size 6: Knit 1 row s.s. 8, weave in your ravel cord, knit 2 rows s.s. 6, 3 rows s.s. 5.2. 3 rows s.s. 5.1, 6 rows s.s. 5, 3 rows s.s. 5.1, 3 rows s.s. 5.2, 3 rows s.s. 6.

When you close your neck-band, pick up each purl stitch above the colored ravel cord, plus each purl stitch between the 2 colored purl stitches of ravel cord. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

For more elasticity in your neckband, latch tool off around 2 sinker posts at a time instead of one.

When you have finished knitting your front and back sweater panels, you will knit 1 row over all neckline stitches to get rid of the double stitches. If your neckband is going to be the same color as the yoke, then use your main color to knit the 1 row. If you are going to use a contrast color neckband, then on that final row, knit that one row in the contrast color, then remove on waste yarn. It looks much neater when you finish your neckband.

9th page of Hints Section

DECREASING ON NECKLINE EDGE: (-1-2-3) Means to decrease 1 stitch every 2 rows 3 times.

As you finish each panel, roll it into a tube lengthwise and give a few tugs to set your stitches into place. Give a few pulls from corner to corner. Let the panels rest for awhile before blocking.

BLOCKING: Most people will be happier with their finished results using a Jiffy steamer than they will be when using an iron. For years, my struggles with an iron produced very poor results on my blocking. For many years now, the Jiffy Steamer has been one of my most valuable accessories and it did solve my blocking problems.

If you use too much pressure when you are blocking an acrylic, you will block the body out of it, plus you may block it too large. Once you do, it will be impossible to get it back to the correct measurements. The opposite is true of wool. You can use a lot of pressure on a wool and you will not damage it or block it out of shape.

Tube your garment, let it rest for awhile, then you are ready to start blocking. **Do not pin** your panel when you are blocking, and **do not pin** it when you are finished. On an acrylic, you may put the wand of your steamer directly onto your panel, but with very little pressure, just enough to block to the measurements that you need. Block in all directions, up, down, and across in both directions. Because you can't put too much pressure on an acrylic, let your panel get hot and steamy, then use your fingers to pat into place. As you are blocking, keep checking with your measuring tape to block to the correct measurements. Leave it alone until completely dry. Sew your garment together, then give it one more light blocking, mainly touching up. **Never** steam ribbing.

ABBREVIATIONS: Very few abbreviations have been used as they sometimes tend to confuse the new knitter. Ones that were used, are: Row Counter: RC Stitch size: S.S. Contrast color: C.C.

GARTER CARRIAGE: As I do not use a ribber, the Garter carriage has become a life-saver to me. All sweater ribbing was knitted on the Garter carriage.

When you pull the pin out of your garter carriage, put a pencil eraser on the end. If the pin hits anything metal, you may blow a fuse on the little control box that sits on the back of your knitting machine. The Control box is part of your Garter Carriage.

When you re-insert the pin into the Garter Carriage, do not force it. If it doesn't go in easy, pull it out to re-position it, try again, but don't force it. If you force the pin into the Garter Carriage, it sometimes causes the receiving pin to fall down into the Garter Carriage, hence you will have a large repair bill.

The majority of times I knit my ribbing in contrast yarn on the Garter Carriage. You don't have to keep switching your contrast yarn back and forth from the right to the left side to use the G

carriage. Just thread your yarn in the normal way through the left side of your yarn tension rod to rib on Garter carriage and save the right side for the main color yarn. As long as your G carriage lever is in the down position on the right side, your G carriage will work. The only drawback is if you run out of yarn, your lever isn't going to know it and your ribbing will fall on the floor. Just make sure you have enough yarn on your cone so this doesn't happen. Also, the right side lever can't detect knots if there isn't any yarn going through it.

SHOULDER FINISHING: Shoulder stitches or cuffs. When you put a garment piece back onto your machine, have the right side facing you. When you hang your stitches, leave them in the hooks of the needles, then remove the waste yarn. Have the wrong side facing you when you hang your second shoulder (right sides together) As you are hanging the 2nd stitch, pull the needle out slightly so the 1st stitch will slip behind the latch; keep your 2nd stitch in the hook of your needle. When you have finished hanging your stitches, use your ruler and push the needles back so the stitch in the hook of the needle will slip through the 1st stitch that is now behind the latch. Then pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

As you start each strand of contrast color, knit one row in fairaisle, then weave the yarn tail in and out, over and under the needles in D position (if you have a machine where the needles come out to D position). Weave it over the needles of the same color as sometimes the wrong color will show on the knit side. Hang a small clip on the tail of the yarn to keep the carriage from jamming when it passes over it, or hold the tail of the yarn down with your fingers, but don't pull on it. Knit 1 row, then clip the yarn. If the stitches in D position are the wrong color, then every 2 rows, "e" wrap the yarn over your end needle. Saves time by not having to sew in your ends later. Too much "e" wrapping on the end needles will distort the side seams when you sew your garment together, so use this method only when you don't have the correct color for weaving your yarn under and over the needles.

FLOATS: The following are several suggestions on dealing with floats. There are other ways but these are some of the ways that I prefer.

#1. The 1st way is to be finished after your panel is off your machine. Use your latch tool and latch the threads up the back of your design. To start, insert your latch tool under the 1st 2 threads. Let 1 thread slip behind the latch, keep the 2nd in the hook of the needle. Pull the thread in the hook through the thread behind the latch. You now have 1 thread in your hook. Pick up the next thread and repeat until you have reached the top of your design. Take a strand of yarn and catch the last loop and secure.

This will draw your design in a little, so wait and do your blocking after you have finished securing the floats.

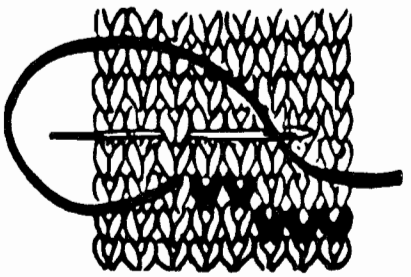
#2. As you are knitting, use your latch tool and latch tool the

11th page of Hints Section

long floats (every 3-4 rows) using your latch tool the same way as the above method. Use care to hang the stitch on the same color yarn as sometimes a wrong color will show through to the other side.

#3. Start a separate strand of yarn for every 6-8 stitches. Pull your needle out just far enough to "e" wrap on, then push it back to working position. Keep your wrapping yarn the same color as the needle that you are wrapping. A different color will show through the majority of the time. Hang only a very light weight clip onto the yarn ends. Too much weight will cause a line on the right side which can be very hard or impossible to block out. You only need to wrap your needle every 2 rows. By timing some of the sweaters that had a lot of wrapping, extra time needed to knit the sweater was minimal.

DUPLICATE STITCHING: Don't pull your yarn too tight when you are doing the duplicate stitch. You have better results when you keep your yarn loose enough to lie on top of the stitch.



****

This book would probably not be in print if is weren't for the many requests of my grand-children, nieces and nephews over the past several years for a book on children's knits.

My niece Marnie (now 9) was one of the many to request a children's book. About a year ago during one of our modeling sessions at the Photographers, Marnie came up to her Mom and said, "Mom, do you think it would be possible for Aunty Phyllis to write a children's book so we could all model? She was so serious.

My little grandson, Brandon, is now 4. One day (under prompting from his Dad, I am sure) he told me over the phone that he wanted to be in the book and be famous all over the world.

This book is dedicated to all of these wonderful children that worked so hard at talking Gramma and Aunty Phyllis into writing this book. Grandchildren, Jennifer, Julie, Cindy, Mandy, Johnny and Brandon. Nieces Christy, Marnie, Megan, and Leslie. Nephews, Mark, Gerard, and Rudy. There are many other nieces and nephews but these are the ones that had requested a children's book.

ACKNOWLEDGMENTS

Our son, Dan came to work for us in September of 1990. After his job as Youth Pastor ended with the Church, his decision was to help out Mom and Dad for a few years before he went on with his dream of working with children again. Mom was having a difficult time keeping up with bookkeeping from 2 businesses, trying to write new books, filling all book orders, plus all of the hours spent designing and knitting. I needed to be 3 people rolled into one and it was beginning to be nerve wracking. He picked up on this so now I have a helper. Dan now does many jobs, Accountant, Bookkeeper, Fruit Broker for my Husband's business, fills all orders. He will even answer all telephone calls which I never seemed to have time to do. He is doing a beautiful job, hope he is here forever. Thank You so much, Dan, for all of your help, and most of all for that ever smiling face. Without your support, this book would be about 3 months later being finished.

Without my husband Hal's continued support I wouldn't be able to accomplish half of what I do. He always hangs in there with me.

Big hugs and kisses to the models who are my very special grandchildren, Jennifer, Mandy, and Brandon, my very special nieces Marnie, Leslie and Christy, nephews Mark and Rudy. You have made this book special for me with your little faces in it.

A very special thanks to the following knitters who have come through for me time and time again. Resi Raber, June Fitzpatrick, Heidi Abbott and Judy Ragsdale.

About 18 years ago I met a very nice young lady by the name of Paula. Paula Franklin wasn't very happy with the designs in books at that time, so after some discussion, I hired her to do some drawings for me. Nursery Rhymes was one of the sets. Other sets were Winnie The Pooh, Signs of the Zodiac, another set of 20 had Superman, Batman, little dolls that looked like Raggedy Ann and Andy, they are all just darling. At that time, they were sold under the name, "Phyllis's Ski Wear". Sound familiar? Now, 18 years later I am using some of these drawings again. Some may look different to you as I changed some of the patterns a little, then added my own ideas to them. Thank You again, Paula, for the wonderful drawings of the Apple with the worm, Polly, Cow Jumped Over The Moon, Dish Ran Away With The Spoon, Pumpkin, Piggy, Old Mother Hubbard, Little Boy Blue, Ladybug, and the Hen. Paula, you are still as talented as ever.

Courtesy of Brother International: Tree and puppy from Hey Diddle Diddle, pony from Yankee Doodle, and Chicks from the Hen sweater.

CUT AND SEW NECKBAND
by David Miles

This is an easy cut and sew neckband that will look like a double crewneck. Works great when using the garter carriage, fairisle and patterns that are difficult to shape the neckline with.

Back: Knit the same as directions but eliminate any neck shaping. Scrap off shoulder stitches. Knit one row over neck stitches and bind off.

Front: Knit the same as back. Seam one shoulder.

1. Make template of neck shaping. For a size you will use frequently, make a template out of cardboard so it can be used many times.

2. With front piece lay template on right side of garment where neckline is to be. With chalk or thread mark neckline around template. Make sure you can see your mark so it will make the sewing easier.

3. Use a sewing machine, zig-zag stitch two rows over your marked neckline. Straight stitching may also be used. Sergers work great for this also. I do one row of zig-zag over top of the other.

4. Now about 1/8 to 1/4 inch above your stitched neckline cut out your neckline.

5. Hold your neckline up to your machine, do not stretch. Gently push onto the sinker or gate post to give you an idea of how many stitches to cast on. Make a note of the number of stitches. Take neckline off gate post.

6. Cast on the number of stitches you made a note of in 1x1 2 x2 rib. Rib for 24 rows or desired length at normal rib tension.

7. Transfer ribber stitches to mainbed. Take off on garter bar or scrap off. Garter bar is the quickest.

8. With right side facing you. Use a transfer tool to hang your neckline on the same needles. Pick up below the stitching about 1/8 inch. Work any fullness in to make a smooth neckline.

9. Pull all needles to E position. Now rehang your neckband stitches from the garter bar or scrap. Keep the stitches in the latches.

10. Close the latches (be sure all are closed). Use back of garter bar or ribber comb to help knit all neckband stitches thru at once. Be sure all stitches have knit thru completely and smoothly.

2nd page of David Miles Cut and Sew Neckband

11. Hang a hem from your ribbed neckband cast on edge. I prefer to hang on every stitch but every other stitch will also work.

12. Latch tool bind off going around two gate or sinker post.

13. Take off machine, set neckband stitches.

14. Seam second shoulder and seam neckband.

Practice on a swatch your first time. Then try on a sweater. With practice you will use frequently and find this to be a useful alternative on a neckline.

STITCH GAUGE

The stitch gauge has to be the most important task to undertake before beginning a garment. Without a correct stitch and row gauge, there isn't any way your garment is going to fit correctly. With all of the countless hours that you spend on a garment, your time will be wasted if it doesn't fit properly. The time spent on knitting your stitch gauge is well worth it.

If you are using acrylics, cottons, or the superwash wools, treat the swatch as you would your finished garment. If you are going to wash it in the washing machine, then do the same for your swatch. If you are going to dry it in your dryer, then also dry your swatch but with a load of clothes, as you normally would not dry just 1 sweater alone. Block your swatch the same as you will be blocking your finished garment.

Cast on 40 stitches each side of 0 with your weaving brushes down.

Knit approximately 3 inches, **always** in the pattern that you will be knitting.

Knit 2 rows of contrast color yarn.

Put a marker thread on the 21st stitch on each side of 0.

Set Row Counter on 000

Knit **60 rows.**

Knit 2 rows of contrast color yarn.

Knit approximately 3 inches in pattern.

Scrap off machine.

Roll your stitch gauge into a tube (vertical) and pull a couple of times to set the stitches. Pull it several times from corner to corner. Let it rest for awhile before blocking.

Thread your contrast color yarn into a needle and following your 21st stitch, sew a contrast color between the top and bottom contrast color yarns.

Block, then let it dry overnight for a more accurate gauge.

Studio Dealers and Distributors have a green ruler that is used with their charting device. This same ruler is great for giving you your stitch gauge on stitches and rows. The measurement you read will be for 4", not 1". You will have a more accurate stitch and row gauge taking it over 4" instead of 1". Use this when you will be following the written patterns.

When you take your readings, take it in 3 to 4 different places between your contrasting yarns. You will probably have different readings each time; then take the average of the readings.

2nd page of Stitch Gauge

If you will be using your charting device, then measure your stitch gauge with the ruler that comes with your charting device.

You will use the S (for stitches) side of your ruler and measure the stitches between your 21st needles on each side of 0. If your ruler says 30, that means your gauge is 30 stitches equals 4". Divide by 4 and that will give you 7.50 stitches per inch.

When you measure your rows, have the R (for rows) side facing to the left, then measure between the two contrasting yarns. If your reading says 48, then that means 48 rows equals 4". Divide by 4 and that will give you 12 rows per inch.

****

YARN COMPARISONS

The following yarns knit to approximately the same gauge as the yarns used in this book. Distributor's ads and telephone numbers are listed in "The Machine Knitters Source".

As I am not familiar with various yarns, the Yarn Distributor's were very helpful in giving me yarn comparisons. The yarns sound beautiful.

A big Thank You to Sherry Davis of Knitarama for her help on yarn comparison's for Yarn Country Yarns.

Another big Thanks to Lois Sanders of June's Knit Shop for yarn comparisons on Nomis - Amberyarn - Tamm.

DENYS BRUNTON: De-Lux 4-ply, Magicolor.

MILLOR: Tepeyac, Vellon, Trenzado, Andino, Pupe', Natural.

NOMIS: Beacon Hill, Phantasy, 3/15, Rain Master, Lustro Print.

TAMM: Diamonte, Estilo, Trenzi, 3 ply Astracryl which is a softer yarn. Can-Cun and Rayito are a little heavier yarns.

AMBERYARN: Academy, Fairaisle, Lurex, Natureza.

YARN COUNTRY: Softball, Newlite, 4 Seasons which is a little lighter weight, Serenaide (use approximately S.S. 6 for same gauge),(3/24 - use 3 strands) Roma, Kola, which is 100% wool.

BRENTWOOD YARNS: Mini Flashdance, Monte Carlo, Mini-Rayco, Mini-Germaine, Mini-Splash.

POLLY PUT THE KETTLE ON

Ribbing: Stitch size 4 on G carriage
Body and sleeves: Stitch size 5 - Upper tension: -3

SIZES: 2-4-6-8-10 Size 6 was made a little longer because of the look that I wanted.

YARN: Tepeyac: **Main color: Black - 6 ozs.**
1st C.C.: White - 4 ozs.
2nd C.C.: #49 (Palo De Rosa) pink - 2 ozs.
3rd C.C.: #04 (Tulipan) rose - 1 oz.
Yarn amounts given are for size 6

STITCH GAUGE: 7.88 stitches and 13 rows per 1".

KH930/Comp3: Patterns #903 and #905 - Selector #1
Pattern #904 - Selector #2

Punchcard: Patterns #903 and #905 - All over pattern.
Pattern #904 - Single motif

Check Hints Section on finishing techniques, blocking and floats.

When you are knitting "Polly", wrap on each side of each motif the same as you do on just 1 single motif. This will keep the stitches from parting as they sometimes do when there is a large area with floats. Time involved is minimal and you will have a much neater sweater.

DUPLICATE STITCH: After you have knitted Polly, duplicate stitch the 2 rows of the foot in black. Duplicate stitch the 3 pink stitches on the end of the pigtail in black.

KH930/Comp3: When you hear the buzzer, knit 1 more row for a complete pattern. Watch your memo window for color changes. Change colors when the number is flashing.

Punchcard: The color numbers are listed in the memo column to the left of the printed design.

When only 1 row counter number is given, then that number is the same for all sizes.

Black in Feeder #1 until RC 066. Contrast color numbers are listed under YARN.

Program in Track # 1

FRONT: Cast on 102 (114,126,134,138) stitches in black. All sizes, rib in 2 x 2 with Garter carriage for 32 rows. Knit 14 rows black, 4 rows pink, 14 rows black.

RC 000 Knit 6 (0,0,0,0) rows black.

2nd page of Polly Put The Kettle On

RC 006,000,000,000,000 Pattern #903 - Knit 46 (46,66,66,66) rows following your color changes as listed above under **YARN.** Take out your contrast color when you reach the empty rows to prevent long floats.

RC 052,046,066,066,066 Change to white in Feeder #1. Knit 10 rows.

RC 062,056,076,076,076 Pattern #904 (Polly) **Sizes 2 and 4:** 4 single motifs. **Sizes 6-8-10:** 5 single motifs. Knit 37 rows, following your color changes.

RC 099,093,113,113,113 Knit 10 (10,11,11,11) rows white.

RC 98,110,130,130,130 Cast off 7 (8,12,16,16) stitches on each side for underarm.

RC 109,103,124,124,124 Pattern #903 - **Change to black in feeder #1.** Knit 24 (46,66,66,66) rows in pattern. **Size 2:** Knit 3 single motifs. **Sizes 4-6-8-10:** Knit 4 single motifs. In the pattern design, I didn't want the teapot sitting directly on top of the cup, so it was staggered. This gives you 1/2 of a teapot on the outside edge. To prevent this half teapot on the outside edge of your sweater, push the teapot needles back each row.

Sizes 6 and 8: As you are knitting your 66 rows of Pattern #903, you will still be in pattern when you reach your neckline. When you finish your pattern, turn it off and finish in black.

RC 133 Size 2: Knit 5 rows black. You will be at your neckline.

RC 149 Size 4: Knit 5 rows black. You will be at your neckline.

RC 190 Size 10: Knit 2 rows black. You will be at your neckline.

RC 138 Size 2: Divide for neckline. Knit all stitches to the left of 0 back to out of work position with ravel cord. To the right of 0, knit back 8 stitches 1 times, then (-2-1-3) (-1-1-6) (20 neck stitches decreased).

154,184,184,192 Sizes 4-6-8-10: Divide for neckline. Knit all stitches to the left of 0 back to out of work position with ravel cord. To the right of 0, knit back 8 stitches 1 time, then (-2-1-3) (-1-1-10). (24 neck stitches decreased) When finished knit straight until RC 194 (222,222,232).

RC 170,194,222,222,232 Take off 24 (25,27,27,29) shoulder stitches on waste yarn.

Knit left side same as the right except reverse all neck shapings. When finished bring neckline stitches back into working position, knit 1 row over all stitches with black yarn, then remove on waste

yarn.

BACK: Knit same as the front but continue knitting until RC 160 (184,212,212,222)

RC 160 Size 2: Divide for back neckline, follow same instructions as below. Knit back 9 stitches 1 time, then (-2-1-2) (-1-1-7). (20 neck stitches decreased).

RC 184,212,212,222 Sizes 4-6-8-10: Divide for back neckline. Knit all stitches to the left of 0 back to out of work position with ravel cord. To the right of 0, knit back 14 stitches 1 time, then (-2-1-2) (-1-1-6) At RC 194 (222,222,232) take shoulder stitches off on waste yarn.

All sizes, repeat for left side, except reverse neck shapings. When finished, bring neck stitches back into working position, knit 1 row over all stitches, then take off on waste yarn.

SLEEVE: Cuffs: Cast on 50 (50,56,60,60) stitches in black with Garter carriage. All sizes, rib in 2 x 2 for 32 rows. Knit 14 rows black, 4 rows pink, 14 rows black. Take off machine with waste yarn or garter bar.

Cast on 60 (70,80,80,90) stitches with waste yarn and ravel cord.

RC 000 Knit 0 (2,4,4,0) rows in black.

RC 000,002,004,004,000 Pattern #905 Knit 28 (36,44,60,68) rows in pattern with white as C.C.

RC 008,010,014,006,012 Increase 1 stitch each side every 8 (8, 10,12,13) rows 14 (16,15,15,14) times. You will have 88 (102,110, 110,118) stitches when you are finished increasing.

RC 028,038,048,064,068 Turn off your pattern and knit 4 (4,4,4,4) rows in black.

RC 032,042,052,068,072 Change to white in Feeder #1. Pattern #903 All sizes, knit 66 rows in pattern. Use black as C.C. color for each 4 row border. Use **pink** for the teacup. Use **rose** for the kettle.

RC 098,108,118,134,138 Change to black in Feeder #1 and knit 4 rows.

RC 102,112,122,138,142 Pattern #905 Knit 28 (36,52,52,60) rows in pattern with white as C.C. Turn off pattern.

RC 130,148,174,190,202 Knit 2 (2,4,4,4) rows black.

RC 132,150,178,194,206 Take off machine with waste yarn.

4th page of Polly Put The Kettle On

NECKBAND: When you knit your neckband, start at Stitch Size 5. Every 3 rows, tension down 1 dot. At the halfway point, start increasing 1 dot every 3 rows until you are back at your beginning stitch size. After you have knitted the 1st row, put in 1 row of ravel cord.

Close 1 shoulder. All sizes: With the wrong side facing you, pick up 88 (108,110,112,114) stitches for neckband. Knit neckband in ribbing: Knit 4 rows black, 4 rows pink, knit 20 rows in black (28 rows total). Follow the instructions in preceding paragraph. When finished, pick up all stitches above your ravel cord and close your neckband. Pull all needles out until the stitches just clear the latches, then latch tool off around 2 sinker posts for more elasticity in your neckband. Put a dowel through your neckband and give a couple of tugs to remove any flare. Close 2nd shoulder.

SLEEVE FINISHING: Hang cuff back onto your machine on 50 (50,56, 60,60) needles. With wrong side facing you, hang sleeve back onto these same needles while decreasing 10 (20,24,20,30) stitches evenly across from the cast on edge. Pull out all needles until the stitches just clear the latches, then latch tool off around the sinker posts.

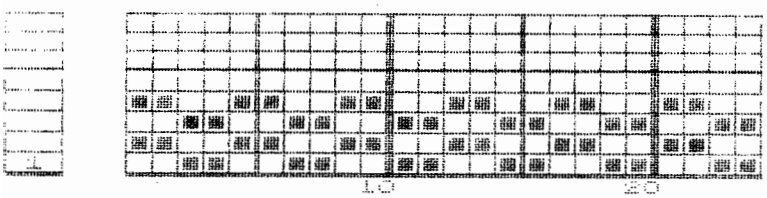
With right side facing you, hang sweater back onto the machine on 88 (102,110,110,118) needles, while centering the shoulder seam. With the wrong side facing you (right sides together), hang sleeve back onto these same needles. Let the 1st stitch slip behind the latch, keep the 2nd stitch in the hook of the needle. When you are finished, use your ruler and push the needles back until the 2nd stitch slips through the 1st. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

****

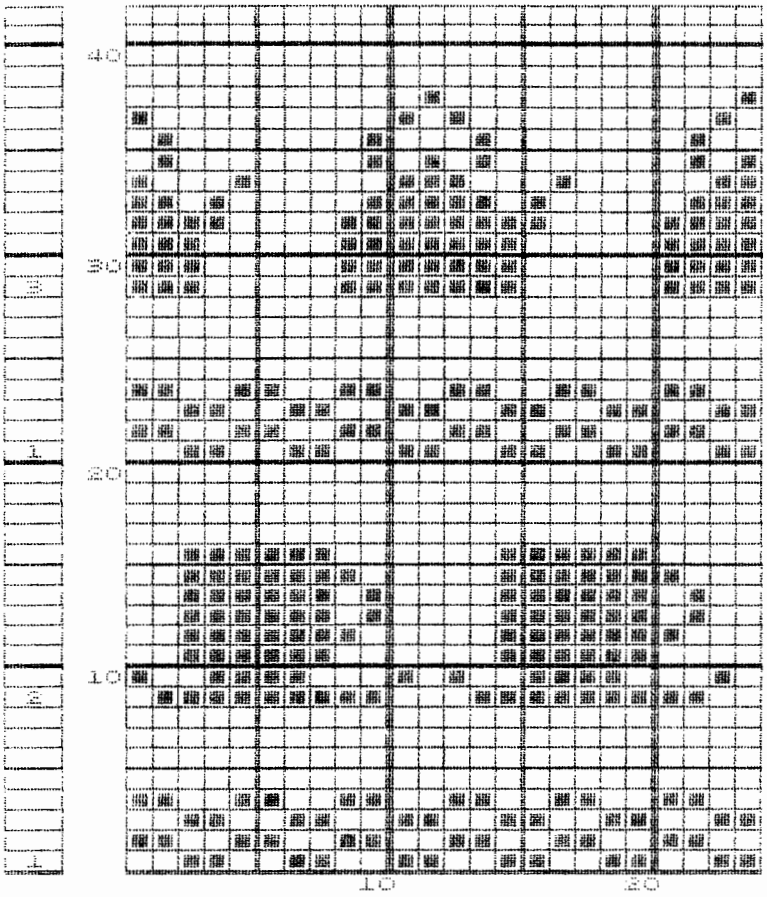
Polly put the kettle on,
Polly put the kettle on,
Polly put the kettle on,
We'll all have tea.

Sukey take it off again,
Sukey take it off again,
Sukey take it off again,
They've all gone away.

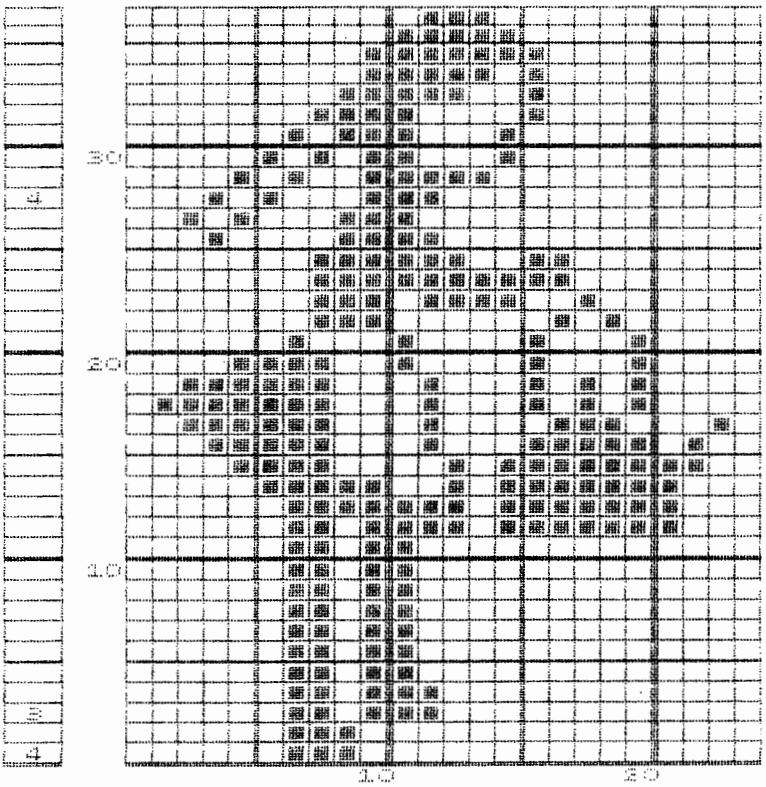
****



Track #1 - Pattern #905
24 stitches by 8 rows.
(Border)



Track #1 - Pattern #903
24 stitches by 42 rows.



Track #1 - Pattern #904
24 stitches by 37 rows.

HEY, DIDDLE, DIDDLE
(Cow Jumped Over The Moon)

Ribbing: Stitch size 4 or 5 on Garter carriage.
Body and sleeves: Stitch size: Knit carriage: 6.2
Upper tension dial: -1 Garter carriage: 5

SIZES: 4-6-8-10

If you do not have a Garter carriage for the seed stitch, then use this same pattern in 2 color knitting. You may use the same color on each block or you may alternate the colors used in the various single motif patterns. If you knit the seed stitch panels in 2 color knitting, then knit the same amount of rows (52) as the Single motif blocks. You will then have to adjust your pattern rows accordingly. One way to keep the written pattern row count correct, advance your row counter 4 rows each time you are finished with that particular (seed stitch) block.

Yarn: Trenzado: Main color: white 11 ozs.
Contrast Colors: Moon: #39A, Congoles (dark gold) .50 oz.
Cow: #14A, Obispo (purple) .50 oz.
Tree: #25, Verde Mar (jade) 1 oz.
Dog: #34, Zafiro (royal blue) 1 oz.
Dish: #29, Escarlata (deep red) 1 oz.
Yarn Amounts given are for size 8.

STITCH GAUGE: Stocking stitch: Stitch size. 6.2: 6.88 and 12.25 rows per 1". Garter carriage: Stitch size 5: 6.75 and 13 rows per 1".

After taking 8 different stitch gauges, this was as close as I could come for comparable gauges for the knit stitch and Garter carriage. The difference in rows means you will knit 4 more rows per block with the G Carriage when you knit the seed stitch, than with the Knit carriage when you knit the Single Motif. When you sew your panels together, ease in the 4 extra rows of the seed stitch block.

KH930/Comp3: Pattern #914 - Selector #1 All other patterns - Selector #2 with 1 repeat.
Punchcard: Pattern #914 - All over pattern. All other patterns. 1 single motif.

Check Hints Section on finishing techniques, blocking, single motif knitting and floats.

Bottom ribbing in white. Neckband and sleeve ribbing in blue.

KH930/Comp3: When you hear the buzzer, knit 1 more row for a complete pattern.

Each front and back is made in 3 panels, then sewn together later.

2nd page of Hey Diddle Diddle

This is a drop shoulder sweater (because of design placement), not a square armhole.

Extra width was added to sizes 8 and 10 so they are basically the same size, except the armhole is deeper on the size 10.

When only 1 row counter number is given, then that number is the same for all sizes, unless stated otherwise.

Program in Track #3

FRONT: Cast on **98 (108,122,122) stitches.** Rib in 2 x 2 with G carriage for 30 (30,30,30) rows. Put a marker on needles 17 (19,21,21) left and 17 (19,21,21) right of 0. Take ribbing off machine on waste yarn.

It's easier to knit these panels by centering your work on your needlebed. Pick up 32 (36,40,40) stitches between your markers and hang on needles 16 (18,20,20) left and 16 (18,20,20) right of 0. **Center panel:** Pull out 1 extra needle on each side and do an **"e"** loop cast on. You will decrease these extra stitches later at the neckline. This extra stitch on each side will be used to sew your seams together. Use the L and R needle cams that come with your Garter carriage to keep each end stitch in knit stitch (easier to sew together). You may remove them when you are knitting with your knit carriage.

When you knit these panels, use only a 50 needle hanger comb for weight. Do not use any extra weight, such as the claw weights. Too much weight and your stitches will not knit properly.

Size 4: **Center panel:** **32 stitches wide.**
Right and left panels: Each panel is **33 stitches wide.**

Size 6: **All panels:** **36 stitches wide.**

Sizes 8 and 10: **Center panel:** **40 stitches wide.**
Right and left panels: Each panel is **41 stitches wide.**

Each block with the single motif is **52 rows high.**
Each block with the seed stitch is **56 rows high.**

RC 000 **Center panel:** Pattern #914 Garter carriage - Stitch size 5. (seed stitch) Knit 56 rows.

RC 056 Knit carriage - Stitch size 6.2 Knit 2 rows with white.

RC 058 Pattern #901 (Moon) Knit 19 rows with gold as C.C. color.

RC 077 (Cow) Change to purple in feeder #2, knit 28 rows.

RC 105 Turn off pattern and knit 3 rows in white.

3rd page of Hey Diddle Diddle

RC 108 Pattern #914 (seed stitch) Knit 38 (50,56,56) rows. **Size 4:** You will be at your neckline decrease (RC 146), after knitting 38 rows. **Size 6:** You will be at your neckline decrease RC (158), after knitting 50 rows. **Sizes 4 and 6:** Stay in the seed stitch until you are finished with your neckline.

RC 164 **Sizes 8 and 10 only:** Knit 2 rows white.

RC 166 Pattern #901 Knit 19 rows only in pattern. Use gold as C.C. for the moon.

RC 185 Turn off pattern and knit 3 rows in white. Go to Size 8 neckline. Finish your neckline in white stocking stitch only.

RC 146,158 **Sizes 4 and 6:** Divide for neckline: You will be decreasing all of your neckline stitches on the **Center panel only.** (Your 2 side panels will not have any decreasing). To the left of 0, knit back all stitches to out of work position with ravel cord. To the right of 0, knit back **8 stitches 1 time, knit 1 row, knit back 1 stitch, knit 1 row, knit back 2 stitches, knit 1 row. Then knit back 1 stitch every row** 6 (8) times, (17 (19) neck stitches decreased. Turn RC counter back to 146,158. Bring left side needles back into working position and knit the same as the right except reverse neck shapings. When finished, bring the right side stitches back into working position, knit 1 row over all stitches with blue yarn, then remove on waste yarn.

RC 188,188 **Sizes 8 and 10:** Divide for neckline. You will be decreasing all of your neckline stitches on the **Center panel only.** (Your 2 side panels will not have any decreasing). To the left of 0, knit back all stitches to out of work position with ravel cord. To the right of 0, knit back **8 stitches 1 time, knit 1 row - knit back 1 stitch, knit 1 row - knit back 2 stitches, knit 1 row - knit back 1 stitch, knit 1 row - knit back 2 stitches 1 more time, then knit back 1 stitch every row** until all 21 stitches are in out of work position. You will be at RC 200.

Sizes 8 and 10: Turn row counter back to 188. Bring needles 9 through 21 on the left back into working position. Knit same as the right except reverse neck shapings. At RC 200, bring all neckline stitches back into working position. Knit 1 row over all needles with blue yarn, then take off on waste yarn.

Right panel: Hang your right side panel back onto the machine on **33 (36,41,41)** needles, while centering your panel on the needlebed. Start hanging your stitches on the 16th (18,20,20) needle on the left side of 0, working toward the right. On the left side, bring 1 extra needle into working position and "**e**" loop cast on. Again, use the Right and Left needle cams when knitting with the Garter carriage.

RC 000 Knit 8 rows white.

4th page of Hey Diddle Diddle

RC 008 Pattern #903 (Dog) Knit 36 rows with blue as C.C.

RC 044 Turn off pattern and knit 8 rows white.

RC 052 Pattern #914 (Seed stitch) Knit 56 rows in pattern.

RC 104,110,132,124 Put in a marker on each side for the beginning of your underarm.

RC 108 Knit 8 rows white.

RC 116 Pattern #904 (tree) Knit 37 rows with jade as C.C.

RC 153 Knit 7 rows white.

RC 160 Pattern #914 (seed stitch) Knit 24 (36,62,62) rows.

RC 184,196,222,222 Take 34 (37,42,42) stitches off on waste yarn.

Left panel: Hang your remaining 33 (36,41,41) stitches back onto your machine, starting on the 17th (18,21,21) needle on the left side of 0, and working toward the right. Cast on 1 extra stitch with an "**e**" loop cast on, on right side only for seaming later.

RC 000 Knit 8 rows white with knit carriage.

RC 008 Pattern #904 (tree) Knit 37 rows with blue as C.C.

RC 045 Knit 7 rows white.

RC 052 Pattern #914 (seed stitch) Knit 56 rows.

RC 104,110,132,124 Put in a marker on each side for beginning of underarm.

RC 108 Knit 4 rows white.

RC 112 Pattern #902 (Dish) Knit 43 rows with red as C.C.

RC 155 Knit 5 rows white.

RC 160 Pattern #914 (seed stitch) Knit 24 (36,62,62) rows.

RC 184,196,222,222 Take 34 (37,42,42) shoulder stitches off on waste yarn.

Knit left side same as the right except reverse all neck shapings. When finished bring neckline stitches back into working position, knit 1 row over all stitches with blue, then remove on waste yarn.

BACK: Cast on **98 (108,122,122) stitches.** Rib in 2 x 2 with G carriage for 30 (30,30,30) rows. Put a marker on needles 17

5th page of Hey Diddle Diddle

(19,21,21) left and 17 (19,21,21) right of 0. Take ribbing off machine on waste yarn.

Pick up 32 (36,40,40) stitches between your markers and hang on needles 16 (18,20,20) left and 16 (18,20,20) right of 0. **Center panel:** Pull out 1 extra needle on each side and do an "**e**" loop cast on. You will decrease these extra stitches later at the neckline. This extra stitch on each side will be used to sew your seams together. Use the L and R needle cams that come with your Garter carriage to keep each end stitch in knit stitch (easier to sew together). You may remove them when you are knitting with your knit carriage.

Center panel: Pattern #914 Garter carriage - Stitch size 5. (seed stitch) Knit 56 rows.

RC 056 Knit carriage - Stitch size 6.2 Knit 2 rows with white.

RC 058 Pattern #901 (Moon) Knit 19 rows with gold as C.C. color.

RC 077 (Cow) Change to purple in feeder #2, knit 28 rows.

RC 105 Turn off pattern and knit 3 rows in white.

RC 108 Pattern #914 (seed stitch) Knit 56 rows in white.

RC 164 **Size 4:** Knit 10 rows in seed stitch. You will now be at **RC 174 for the neckline.** Finish your neckline in the seed stitch.

RC 164 **Size 6:** You have several options. You now have only 22 rows to the back neck decrease. There are only enough rows left to put in a single motif pattern of the moon which is 19 rows. If you use the moon, knit 1 row of white, knit 19 rows of moon, knit 2 rows of white. You will be at **RC 186** (back neck decrease), then finish your panel in white. Next option. Forget any pattern and finish your sweater in white stocking stitch.

RC 164 **Sizes 8 and 10:** Knit 8 rows white.

RC 172 Pattern #903 (dog) Knit 36 rows with blue as C.C.

RC 208 Knit 4 rows white to back neckline, then finish in white.

RC 174,186 **Sizes 4 and 6:** Divide for back neckline. Knit all stitches to the left of 0 back to out of work position with ravel cord. To the right of 0, both sizes, knit back 8 stitches 1 time, then **Size 4:** (-1-1-9) (17 neck stitches decreased). **Size 6:** (-2-1-2) (-1-1-7) (19 neck stitches decreased).

RC 212,212 **Sizes 8 and 10:** Divide for back neckline. Knit all stitches to the left of 0 back to out of work position with ravel cord. To the right of 0, knit back 10 stitches 1 time, then (-2-

6th page of Hey Diddle Diddle

1-2) (-1-1-7) (21 neck stitches decreased). At RC 222 (222), take shoulder stitches off on waste yarn.

All sizes, bring left side needles back into working position. Knit same as the right side, except reverse neck shapings. When finished, bring all neck stitches back into working position, knit 1 row over all stitches with blue yarn, then take off on waste yarn.

Left and right back panels: Knit both panels same as the right except reverse the single motif panels so you will not have 2 dogs side by side when you sew your panels together. Example: On the **right front panel,** your 1st single motif was the dog. On your **right back panel,** start your 1st single motif with the tree, etc.

SLEEVE: Cuffs: Cast on 50 (56,60,60) stitches in blue with G carriage. Rib in 2 x 2 for 30 (30,30,30) rows. Take off machine with waste yarn.

Cast on 70 (74,74,80) stitches with waste yarn and ravel cord.

RC 000 Pattern #914 (seed stitch) Knit 42 (52,62,72) rows in white.

RC 010,008,014,016 Increase 1 stitch each side every 12 (12,13,16) rows 9 (11,11,10) times. You will have 88 (96,96,100) stitches when you are finished increasing.

RC 042,052,062,072 All sizes, knit this stripe sequence of 46 rows. 6 rows red, 4 white, 6 blue, 4 white, 6 gold, 4 white, 6 purple, 4 white, 6 green. Change to white for remainder of sleeve.

RC 088,098,108,118 Knit 42 (52,62,70) rows in white seed stitch.

RC 130,150,170,188) Take 88 (96,96,100) stitches off machine on waste yarn.

NECKBAND: When you knit your neckband, start at Stitch Size 6.2. Every 3 rows, tension down 1 dot. At the halfway point, start increasing 1 dot every 3 rows until you are back at your beginning stitch size. After you have knitted the 1st row, weave in 1 row of ravel cord.

Close 1 shoulder. With the wrong side facing you, pick up 108 (110,112,114) stitches for neckband. Knit 30 rows in blue by following the instructions in preceding paragraph. Pick up all stitches above your ravel cord and close your neckband. Pull all needles out until the stitches just clear the latches, then latch tool off around 2 sinker posts for more elasticity in your neckband. Put a dowel through your neckband and give a couple of tugs to remove any flare. Close 2nd shoulder.

7th page of Hey Diddle Diddle

SLEEVE FINISHING: Hang cuff back onto your machine on 50 (56,60,60) needles. With wrong side facing you, hang sleeve back onto these same needles while decreasing 20 (18,14,20) stitches evenly across from the cast on edge. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

With right side facing you, hang sweater back onto the machine on 88 (96,96,100) needles, while centering the shoulder seam. Wrong side facing you (right sides together), hang sleeve back onto these same needles. Let the 1st stitch slip behind the latch, keep the 2nd stitch in the hook of the needle. When you are finished, use your ruler and push the needles back until the 2nd stitch slips through the 1st. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

****

Hey, diddle, diddle,
The cat and the fiddle,
The cow jumped over the moon.
The little dog laughed
To see such sport,
And the dish ran away with the spoon.

THIS LITTLE PIGGY

Ribbing: Stitch size 4 on Garter carriage
Body and sleeves: Stitch size 5 Upper tension: -2

SIZE: 2-4-6-8-10-12 - Use this pattern if you don't have a Garter carriage. 30 extra rows were added to sizes 8-10-12 only. Request of children. If you want the sweaters shorter, shorten at the fleck pattern. The Pattern using the Garter carriage starts directly after this one.

YARN: Denys Brunton: Main color: white - 8 ozs.
1st C.C.: green - 1/2 oz.
2nd C.C.: pink - 1/2 oz.
3rd C.C.: rose - 4 ozs.
Yarn amounts given are for size 10.

STITCH GAUGE: 7.38 stitches and 10.63 rows per 1 inch.

KH930/Comp3: Pattern #902 - (Piggy)
Pattern #913 - Selector #1 (fleck)
Punchcard: Pattern #902 - (Piggy) Pat. #913 - all over pattern.

Check Hints Section on finishing techniques, floats, etc.

When you are knitting, wrap on each side of each Piggy the same as you do on just 1 single motif. This will keep the stitches from parting as they sometimes do when there is a large area with floats. Time involved is minimal and you will have a much neater sweater.

KH930/Comp3: Watch your memo window. Change colors when the number is flashing.

Punchcard: The row numbers for color changes are listed in the memo window to the left of the printed design.

Program in Track #1

When only 1 row counter number is given, then use that number for all sizes.

Pattern #902: Knit both the top and bottom flower border in all over pattern. When you get to (Piggy) set for single motif. **Sizes 2-4:** 4 single motifs **Sizes 6-8-10-12:** 5 single motifs.

FRONT: Cast on 98 (108,122,126,130,134) stitches with G carriage in rose. Rib in 2 x 2 for 20 (20,30,30,30,30) rows.

RC 000 Knit 2 (6,2,2,2,2) rows white.

RC 002,006,002,002,002,002 Pattern #902 Knit 94 rows following your color changes.

2nd page of This Little Piggy

The fleck pattern was eliminated in Sizes 2 and 4 as there wasn't enough row length. The longer length on these sizes wouldn't look good.

RC 096 Size 2: Pattern #914 Knit 11 rows only of this pattern. Turn off pattern and knit 3 rows white. You will now be at **RC 110,** your neckline.

RC 100 Size 4: Pattern #914 Knit 22 rows. Turn off pattern and knit 6 rows of white. You will now be at **RC 128,** your neckline.

RC 096 Sizes 6-8-10-12 Knit 2 rows white.

RC 098 Sizes: 6-8-10-12 Pattern #913 (fleck) Knit 40 (80,86, 92) rows with rose as C.C.

RC 080,090,096,136,136,136 Cast off 8 (8 13,13,15,15) stitches on each side for your underarm.

RC 110,128,138,178,184,190 Divide for neckline: To the left of 0, knit back all stitches to out of work position with ravel cord. To the right of 0, knit back 8 stitches 1 time then (-2-1-3) (-1-1-8) (22 neck stitches decreased). When finished, knit straight until RC 138 (160,170,210,216,222).

RC 138,160,170,210,216,222 Take 20 (24,26,28,28,30) shoulder stitches off on waste yarn.

Knit left side same as the right, except reverse neck shapings. Bring neckline stitches back into working position, knit 1 row over all stitches with rose color yarn, then remove on waste yarn.

BACK: Knit same as the front but continue on until RC 130 (152, 162,202,208,214).

RC 130,152,162,202,208,214 Divide for neckline: To the left of 0, knit back all stitches to out of work position with ravel cord. To the right of 0, knit back 13 stitches 1 time, then (-2-1-2) (-1-1-5). At RC 138 (160,170,210,216,222) take shoulder stitches off on waste yarn. Knit left side same as the right except reverse all shapings. Bring neckline stitches back into working position, knit 1 row over all stitches with rose color yarn, then remove on waste yarn.

SLEEVES: Cuffs: Cast on 50 (50,56,60,60,64) stitches in rose with G carriage. Rib in 2 x 2 for 20 (20,30,30,30,30) rows. Take off machine on waste yarn.

Sleeve: Cast on 60 (70,80,80,90,94) stitches with waste yarn and ravel cord.

RC 000 Knit 6 (4,2,2,2,2,) rows white.

3rd page of This Little Piggy

RC 006 Size 2 sleeve: Pattern #902 - Knit 94 rows. Turn off pattern and knit 6 rows white. **RC will be on 106.** Increase 1 stitch each side every 7 rows 11 times, starting on RC 016. You will have 82 stitches when you are finished increasing.

RC 004 Size 4 sleeve: KH930/Comp3: Pattern #902 - Knit 93 rows. Carriage outside turn mark, program in **Pattern #914.** Your needles in D position will be your last knitted row of Pattern #902. Knit 22 rows. When finished, turn off pattern and knit 4 rows white. **RC will be on 124.** Increase 1 stitch each side every **7 rows 13 times,** starting on **RC 018.** You will have 96 stitches when you are finished increasing.

RC 002 Sizes 6-8-10-12 only, follow remaining row counter numbers for sleeve. Pattern #902 - Knit 1st 15 rows only in pattern. Follow your color changes in the memo window.

RC 006,016,014,018 Increase 1 stitch each side every 10,11,13,13) rows 12,12,11,12) times. You will have 104,104,112,118) stitches when you are finished increasing.

RC 017 Knit 2 rows white.

RC 019 Pattern #913 (fleck) Knit 106,126,136,151) rows with rose as C.C.

RC 125,145,155,170 Knit 2 rows white.

RC 127,147,157,172 Pattern #902 - **KH930/Comp3:** Push your down arrow key (faster) to start on Pattern row #84. Carriage outside your turn mark when you program. **Punchcard machines:** Advance to the top border of pattern. Knit 11 rows following your same color changes.

RC 138,158,168,183 Knit 2,2,2,3) rows white.

RC 140,160,170,186 Take sleeve off machine on waste yarn.

SLEEVE FINISHING: Hang your cuff back onto the machine on 50 (50, 56,60,60,64) needles. With the wrong side facing you, hang your sleeve onto these same needles while decreasing 10 (20,24,20,30,30) stitches evenly across from the cast on edge. When finished, pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

Start your band on Stitch size 5. Every 3 rows tension down 1 notch or dot. At the half way point, tension up 1 dot every 3 rows until you are back to your starting stitch size. After you have knitted the 1st row, weave in a row of contrast colored ravel cord.

RC 000 Neckband: Close 1 shoulder. With the wrong side facing you, pick up 104 (106,108,110,112,114) stitches for your neckband. **Pattern #902:** Knit 4 rows stocking stitch, then knit the last 11 rows of Pattern #902 following same color changes as before.

4th page of This Little Piggy

RC 015 Knit 23 rows white. 38 rows in neckband. Pick up all neckband stitches above the ravel cord and close your neckband. Pull all needles out until the stitches just clear the latches, then latch tool off around 2 sinker posts for more elasticity in your neckband. Put a dowel through your band and give a few tugs to remove any flare. Close 2nd shoulder.

With the right side facing you, hang your sweater back onto the machine on 82 (96,104,104,112,118) needles, while centering your shoulder seam. With the wrong side facing you (right sides together), hang your sleeve onto these same needles. As you are hanging your stitches, let the 1st stitch slip behind the latch, keep the 2nd stitch in the hook of the needle. With your ruler, push the needles back until the 2nd stitch slips through the first stitch. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

THIS LITTLE PIGGY

Ribbing: (Cables) Stitch size 7 on the Garter carriage
Body and sleeves: (Fairaisle) Stitch size 6 Upper dial: -1
(Garter Carriage) Stitch size 5

SIZES: 10-12-14 This pattern is for Punchcard or Electronic Machines with Garter Carriage. All sweaters were made longer for that special, long look. If you would like them shorter, shorten at the Garter carriage pattern (901).

YARN: Trenzado: Main color: White - 12 ozs.
1st C.C.: #15C (Oxford C) dark grey - 4 ozs.
2nd C.C.: #49 (Palo De Rosa) - dark pink - 1 oz.
3rd C.C.: #04 (Tulipan) deep rose - 1.50 ozs.
Yarn amounts given are for size 14

STITCH GAUGE: Fairaisle: 7.50 stitches and 12.13 rows per 1".
Garter Carriage: 6.88 stitches and 14.25 rows per 1"

KH930/Comp3: Pattern #901 - Selector #1 on Garter carriage
Pattern #902 - Selector #1

Punchcard: Pattern #901 - All over pattern on Garter carriage.
Pattern #902 - All over pattern.

Check Hints Section on finishing techniques, blocking and floats.

When you are knitting wrap on each side of each pig, the same as you do on just 1 single motif. This will keep the stitches from parting as they sometimes do when there is a large area with floats. Time involved is minimal and you will have a much neater sweater.

Sleeve and sweater ribbing with cables in dark grey.

KH930/Comp3: Watch your memo window for color changes. Change colors when number is flashing.

Punchcard: The color numbers are listed in the memo column to the left of the printed design.

Program in Track # 1

When only 1 row counter number is given, then that number is the same for all sizes.

When you are knitting Pattern #902, knit the top and bottom flower borders in all over pattern. Knit 5 single motifs for Piggy.

FRONT: Pattern #907 With Garter carriage, cast on 132 (136,140) stitches in dark grey. Knit 5 rows, (includes cast on row) then start your cables over 4 stitches (purl). Cross 2 stitches over 2 stitches. Cross cables every 6 rows. After last cable, knit 2 rows. Total rows. 37

2nd page of This Little Piggy

RC 000 Knit 2 rows white.

RC 002 Pattern 902. Knit 94 rows following your color changes as listed above.

RC 096 Knit 2 rows white.

RC 098 Take sweater off machine on waste yarn or Garter bar. Decrease 12 stitches evenly across; hang back onto machine on 120 (124,128) needles.

RC 098 Pattern #901 Change to Stitch size 5 and the Garter carriage. Knit 148 (156,164 rows to neckline.

RC 184 Cast off 13 (14,16) stitches on each side for underarm.

RC 246,254,262 Divide for neckline. Knit all stitches to the left of 0 back to out of work position. To the right of 0, knit back 8 stitches 1 time, then (-2-1-3) (-1-1-7). (21 neck stitches decreased) When finished with decreasing, continue knitting in pattern until RC 290 (298,306).

RC 290,298,306 Take off 29 (27,27) shoulder stitches on waste yarn.

Knit left side same as the right except reverse all neck shapings. When finished bring neckline stitches back into working position, knit 1 row over all stitches with white yarn, then remove on waste yarn.

BACK: Knit same as the front but continue knitting until RC 278 (286,294).

RC 278,286,294 Divide for back neckline. Knit all stitches to the left of 0 back to out of work position with ravel cord. To the right of 0, knit back 12 stitches 1 time, then (-2-1-2) (-1-1-5) At RC 290 (298,306) take shoulder stitches off on waste yarn.

Repeat for left side, except reverse neck shapings. When finished, bring neck stitches back into working position, knit 1 row over all stitches with white yarn, then take off on waste yarn.

SLEEVE: Cuffs: Cast on 60 (64,68) stitches in dark grey with G carriage. Knit 37 rows for cuff. Follow same directions as the cables on the front ribbing. Take off machine with waste yarn.

Cast on (90 (94,96) stitches with waste yarn and ravel cord.

RC 000 Knit 2 rows white.

RC 002 Pattern #902 Knit the 1st 15 rows of pattern. Follow the same color changes as on the sweater body.

RC 020,010,020 Increase 1 stitch each side every 28 (19,22) rows 7 (12,11) times. You will have 104 (110,118) stitches when you are

finished increasing.

RC 017 Knit 2 rows white.

RC 019 Pattern #901 **Change to stitch size 5.** Knit 194 (216,239) rows with Garter carriage.

RC 213,235,258 With Knit carriage, knit 2 rows white. Set Knit carriage outside the turn mark.

RC 215,237,260 Pattern #902 **KH930/Comp3:** Push your down arrow key until Design row #84. **Punchcard:** Advance to the last pattern. Knit 11 rows in pattern, following same color changes.

RC 226,248,271 Knit 2 rows white.

RC 228,250,273 Take sleeve off machine on waste yarn.

NECKBAND: When you knit your neckband, start at Stitch Size 5.2. Every 3 rows, tension down 1 dot. At the halfway point, start increasing 1 dot every 3 rows until you are back at your beginning stitch size. After you have knitted the 1st row, put in 1 row of ravel cord.

Close 1 shoulder. With the wrong side facing you, pick up 114 (116 118) stitches for neckband. Knit 4 rows white. Pattern #902. Advance your card again to the last pattern. Knit 11 rows in pattern, following the same color changes. When finished, turn off your pattern and knit 23 rows in white. Band: 38 rows. Follow the instructions in preceding paragraph on the knitting of your neckband. Pick up all stitches above your ravel cord and close your neckband. Pull all needles out until the stitches just clear the latches, then latch tool off around 2 sinker posts for more elasticity in your neckband. Put a dowel through your neckband and give a couple of tugs to remove any flare. Close 2nd shoulder.

SLEEVE FINISHING: Hang cuff back onto your machine on 60 (64,68, needles. With wrong side facing you, hang sleeve back onto these same needles while decreasing 30 (30,28) stitches evenly across from the cast on edge. Pull out all needles until the stitches just clear the latches, then latch tool off around the sinker posts.

With right side facing you, hang sweater back onto the machine on 104 (110,118) needles, while centering the shoulder seam. Wrong side facing you (right sides together), hang sleeve back onto these same needles. Let the 1st stitch slip behind the latch, keep the 2nd stitch in the hook of the needle. When you are finished, use your ruler and push the needles back until the 2nd stitch slips through the 1st. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

YANKEE DOODLE CAME TO TOWN
(RIDING ON A PONY)

Ribbing: Stitch size 4 on Garter carriage
Body and sleeves: Stitch size 5 Upper tension dial: -3

SIZES: 2-4-6-8-10-12 Sizes 6-8-10-12 were made a little longer for a more balanced look.

YARN: Tepeyac: Main color: White - 9 ozs.
1st C.C.: Red - 1 oz.
2nd C.C.: Black - 1.50 ozs.
Yarn amounts given are for size 6.

STITCH GAUGE: 7.50 stitches and 11.50 rows per 1".

KH930/Comp3 and Punchcard: Patterns 901 - #902 - All over pattern. Pattern #912 - Single motif

Check Hints Section on finishing techniques, blocking and floats.

All ribbing, including neckband in black.

KH930/Comp3: When you hear the buzzer, knit 1 more row for a complete pattern. Watch your memo window for color changes. Change colors when number is flashing.

Punchcard: The color numbers are listed in the memo column to the left of the printed design.

Program in Track #2

When only 1 row counter number is given, then that number is the same for all sizes.

FRONT: Cast on 98 (110,120,128,132,136) stitches in black. Rib in 2 x 2 with Garter carriage for 20 (20,30,30,30,30) rows.

RC 000 Knit 2 (2,4,2,2,2) rows white.

RC 002,002,004,002,002,002 Pattern #902 (fence) Knit 10 rows with red as C.C.

RC 014,014,016,014,014,014 Pattern #901 (fleck) Knit 41 (56,46,56 66,71) rows with black as C.C.

RC 055,070,062,070,080,085 Knit 2 rows white.

RC 057,072,064,072,082,087 Pattern #902 (fence) Knit 10 (10,20,20 20,20) rows with red as C.C.

RC 067,082,084,092,102,107 Knit 4 rows white.

2nd page of Yankee Doodle Came To Town

RC 071,086,088,096,106,111 Pattern #912 (horse) Knit 40 rows with black as C.C. **Sizes 2 and 4:** 3 single motifs. **Sizes 6-8-10-12:** 4 single motifs.

RC 086,098,108,126,126,126 Cast off 8 (8,11,15,15,15) stitches each side for underarm.

RC 111,126,128,136,146,151 Knit 2 rows white.

RC 113,128,130,138,148,153 Pattern #901 (fleck) Knit 9 (12,24,34, 30,29) rows with black as C.C. to the neckline. Finish in fleck pattern.

RC 122,140,154,172,178,182 Divide for neckline. Knit all stitches to the left of 0 back to out of work position with a ravel cord. To the right of 0, knit back 10 stitches 1 time, then (-2-1-2) (-1-1-9). (23 neck stitches decreased) When finished knit straight until RC 150 (174,190,208,214,218).

RC 150,174,190,208,214,218 Take off 18 (24,26,26,28,30) shoulder stitches on waste yarn.

Knit left side same as the right except reverse all neck shapings. When finished bring neckline stitches back into working position, knit 1 row over all stitches with black yarn, then remove on waste yarn.

BACK: Knit same as the front but continue knitting until RC 142 (166,182 200,206,210).

RC 142,166,182,200,206,210 Divide for back neckline. On left side, knit all stitches to the left of 0 back to out of work position with a ravel cord. To the right of 0, knit back 14 stitches 1 time, then (-2-1-2) (-1-1-5) At RC 150 (174,190,200, 214,218), take shoulder stitches off on waste yarn. Repeat for left side.

SLEEVE: Cuffs: Cast on 50 (50,56,60,60,64) stitches in black with Garter carriage. Rib in 2 x 2 for 20 (20,30,30,30,30) rows. Take off machine with waste yarn.

Cast on 60 (70,80,80,90,94) stitches with waste yarn and ravel cord.

RC 000 Knit 2 rows white.

RC 002 Pattern #902 (fence) Knit 10 rows with red as C.C.

RC 016,008,008,018,016,020 Increase 1 stitch each side every 8 (8,10,11,14,13) rows 11 (14,13,13,11,13) times. You will have 82 (98,106,106,112,120) stitches when you are finished increasing.

RC 012 Knit 2 rows white.

3rd page of Yankee Doodle Came To Town

RC 014 Pattern #901 (fleck) Knit 102 (118,138,162,170,188) rows.

RC 116,132,152,176,184,202 Take sleeve off machine with waste yarn.

Block your sleeves and let dry thoroughly before attaching cuffs.

SLEEVE FINISHING: Hang cuff back onto your machine on 50 (50,56, 60,60,64) needles. With wrong side facing you, hang sleeve back onto these same needles while decreasing 10 (20,24,20,30,30) stitches evenly across from the cast on edge. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

NECKBAND: When you knit your neckband, start at Stitch Size Every 3 rows, tension down 1 dot. At the halfway point, start increasing 1 dot every 3 rows until you are back at your beginning stitch size. After you have knitted the 1st row, weave in 1 row of ravel cord.

Close 1 shoulder. With the wrong side facing you, pick up 104, (108,110 112,114,116) stitches for neckband. Knit 28 rows in black by following the instructions in preceding paragraph. Pick up all stitches above your ravel cord and close your neckband. Pull all needles out until the stitches just clear the latches, then latch tool off around 2 sinker posts for more elasticity in your neckband. Put a dowel through your neckband and give a couple of tugs to remove any flare. Close 2nd shoulder.

With right side facing you, hang sweater back onto the machine on 82 (98,106,106,112,120) needles, while centering the shoulder seam. Wrong side facing you (right sides together), hang sleeve back onto these same needles. Let the 1st stitch slip behind the latch, keep the 2nd stitch in the hook of the needle. When you are finished, use your ruler and push the needles back until the 2nd stitch slips through the 1st. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

****

Yankee Doodle came to town,
Riding on his pony;
He stuck a feather in his cap,
And called it macaroni.

Program in Track #1

All ribbing and neckband in black.

FRONT: Cast on 108 (116,118,122,126) stitches in black with Garter carriage. Rib in 2 x 2 for 20 (30,30,30,30) rows.

The following color sequence is 96 rows.

RC 000 Knit 10 rows black
RC 010 Knit 8 red.
RC 018 Knit 4 black.
RC 022 Knit 8 green.
RC 030 Knit 4 black.
RC 034 Knit 2 yellow.
RC 036 Knit 2 black.
RC 038 Knit 4 yellow.
RC 042 Knit 2 black.
RC 044 Knit 8 yellow.
RC 052 Knit 2 black.
RC 054 Knit 4 yellow.
RC 058 Knit 2 black.
RC 060 Knit 2 yellow.
RC 062 Knit 4 black.
RC 066 Knit 8 green.
RC 074 Knit 4 black.
RC 078 Knit 8 red.
RC 086 Knit 10 black.

RC 096 Pattern #909 (flower) **Change to white in feeder #1.** Knit

2nd page of Ladybug, Ladybug

10 rows following color changes in the memo window. White will be in feeder #1 for remainder of sweater.

RC 106 Knit 11 (17,20,23,29) rows white.

RC 108,120,120,120,126 Decrease 10 (12,13,11,13) stitches on each side for underarm.

RC 117,123,126,129,135 Pattern #908 (ladybug) **Sizes 6-8-10:** 3 single motifs. **Sizes 12-14:** 4 single motifs. Knit 28 rows.

RC 145,151,154,157,163 Knit 11 (17,20,23,29) rows white. Start neckline shaping.

RC 156,168,174,180,192 Divide for front neckline: To the left of 0, knit back all stitches to out of work position with ravel cord. To the right of 0, knit back 8 stitches 1 time, then (-2-1-3) (-1-1-7. (21 neck stitches decreased). When finished, knit with white to RC 192 (204,210,216,228).

RC 192,204,210,216,228 Take 23 (25,25,29,29) shoulder stitches off on waste yarn. Bring neckline stitches back into working position and knit 1 row over all stitches with black yarn. Take off on waste yarn.

BACK: Knit same as the front except continue on until RC 182 (194, 200,206,218).

RC 182,194,200,206,218 Divide for back neckline. To the left of 0, knit back all stitches to out of work position with ravel cord. To the right of 0, knit back 16 stitches 1 time, then (-1-1-5) When finished decreasing knit straight until RC 192 (204,210,216, 228). Take shoulder off on waste yarn.

Knit left side same as the right except reverse neckline shapings. Bring neckline stitches into working position, knit 1 row over all stitches with black yarn and remove on waste yarn.

SLEEVES: Cuffs: Cast on 56 (60,60,64,64) stitches with Garter carriage in black. Rib in 2 x 2 for 30 rows. Take off on waste yarn or garter bar.

Sleeve: Cast on 80 (80,80,82,82) stitches with waste yarn and ravel cord.

RC 000 Follow same stripe sequence as the front of 96 rows.

RC 008,008,014,016,016 Increase 1 stitch each side every 17 (20, 15,14,20) rows 8 (8,11,13,10) times. You will have 96 (96,102,108 116) stitches when you are finished increasing.

RC 096 Pattern #909 **Change to white in feeder #1. White will be**

the main color for remainder of sleeve. Knit 10 rows in pattern. Follow same color changes as in the front.

RC 106 Knit 11 (23,29,38,47) rows white.

RC 117,129,135,144,153 Pattern #908 (ladybug) Knit 1 single motif for the sleeve for the ladybug. Knit 28 rows.

RC 145.157,163,172,181 Knit 11 (23,29,38,47) rows in white.

RC 156,180,192,210,228 Take sleeve off machine with waste yarn.

SLEEVE FINISHING: Put cuff back onto the machine on 56 (60,60,64, 64) needles. With the wrong side facing you, hang sleeve back onto the machine onto these same needles while decreasing 24 (20,20,18, 18) stitches spaced evenly apart from the cast on edge. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

NECKBAND: Close 1 shoulder. With the right side facing you, pick up 110 (112,114,116,118) stitches from the neckline. **When you knit your neckband, tension down 1 dot every 3 rows. At the halfway point, start increasing 1 dot every 3 rows.** Start with black and Stitch size 6. **Knit 1 row and put in your ravel cord.** Knit 27 more rows for neckband. Pick up your stitches from the ravel cord and close your neckband. Pull out all needles until the stitches just clear the latches, then latch tool off around 2 sinker posts for more elasticity in your neckline. Put a dowel through your neckband and give a couple of tugs to remove the flare. Close 2nd shoulder.

With the right side facing you, hang your sweater back onto the machine on 96 (96,102,108,116) needles. With the wrong side facing you hang your sleeve onto these same needles. As you are hanging your 2nd stitch, let the 1st stitch drop behind the latch and keep the 2nd stitch in the hook of the needle. When finished, with your ruler push the needles back until the 2nd stitch slips through the first. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

DUPLICATE STITCHING: Duplicate stitch the spots, antennas and legs on the ladybug in black. It is easier to duplicate stitch after you have blocked your pieces and before you sew them together. Diagram is in the Hints Section.

OLD MOTHER HUBBARD

Ribbing: Stitch size 4 on Garter carriage
Body and sleeves: Stitch size 5 Upper tension dial: -2

SIZES: 2-4-6-8-10 Sizes 4-6-8-10 were made a little longer.

YARN: Denys Brunton 4-ply: Main color: light pink - 8 ozs.
1st C.C.: Hot pink - 2 oz.
2nd C.C.: Black - 1/2 oz.
Yarn amounts given are for size 10

STITCH GAUGE: 7.38 stitches and 10.63 rows per 1".

KH930/Comp3: Patterns #901-903 - Selector #1
Pattern #904 - Selector #2
Punchcard: Patterns #901-903 - All over pattern.
Pattern #904 - Single motif.

Check Hints Section on finishing techniques, blocking and floats.

While you are knitting, wrap on each side of each Mother Hubbard and each dog the same as you do on just 1 single motif. This will keep the stitches from parting as they sometimes do when there is a large area with floats. Time involved is minimal and you will have a much neater sweater.

When you are finished with your pattern, there will be some duplicate stitching. Duplicate stitch the last 2 rows of the dog's ear in black. Duplicate stitch the shoes (optional) in hot pink.

All ribbing, including neckband in black.

KH930/Comp3: When you hear the buzzer, knit 1 more row for a complete pattern. Watch your memo window for color changes. Change colors when number is flashing.

Punchcard: The color numbers are listed in the memo column to the left of the printed design.

Program in Track #2

When only 1 row counter number is given, then that number is the same for all sizes.

FRONT: Cast on 98 (108,118,126,130) stitches. Rib in 2 x 2 with G carriage for 20 (20,20,30,30) rows.

RC 000 Knit 0 (2,2,2,2) rows in pink.

RC 000,002,002,002,002 Pattern #903 (Border) Knit 10 rows in pattern following your color changes.

RC 000,012,012,012,012 Knit 2 rows pink.

RC 000,014,014,014,014 Pattern #901 Knit 31 (36,41,51,51) rows with hot pink as C.C.

2nd page of Old Mother Hubbard

RC 031,050,055,065,065 Knit 2 rows pink.

RC 033,052,057,067,067 Pattern #903 Knit 10 rows in pattern.

RC 043,062,067,077,077 Knit 2 rows pink.

RC 045,064,069,079,079 Pattern #904 **Sizes 2-4-6:** Knit 3 single motifs. Sizes 8 and 10: Knit 4 single motifs. Knit 59 rows.

RC 090,110,116,126,126 Cast off 8 (8,11,13,15) stitches each side for underarm.

RC 104,123,128,138,138 Knit 2 rows in pink. **Size 2: Move ahead to Pattern #901 (fleck), RC 106.**

RC 125,130,140,140 Pattern #903 Knit 10 rows following color changes.

RC 135,140,150,150 Knit 2 rows pink.

RC 106,137,142,152,152 Pattern #901 (fleck) Knit 16 (13,18,18,22) rows to neckline. Finish in fleck pattern.

RC 122,150,160,170,174 Divide for neckline. Knit all stitches to the left of 0 back to out of work position. To the right of 0, knit back 8 stitches 1 time, then (-2-1-3) (-1-1-8). (22 neck stitches decreased) When finished knit straight until RC 148 (182, 190,200,206).

RC 148,182,190,200,206 Take off 19 (24,26,28,28) shoulder stitches on waste yarn.

Knit left side same as the right except reverse all neck shapings. When finished bring neckline stitches back into working position, knit 1 row over all stitches with black yarn, then remove on waste yarn.

BACK: Knit same as the front but continue knitting until RC 140, (174 182,192,198).

RC 140,174,182,192,198 Divide for back neckline. Knit all stitches to the left of 0 back to out of work position. To the right of 0, knit back 13 stitches 1 time, then (-2-1-2) (-1-1-5) At RC 148 (182,190,200,206) take shoulder stitches off on waste yarn.

Repeat for left side, except reverse neck shapings. When finished, bring neck stitches back into working position, knit 1 row over all stitches with black yarn, then take off on waste yarn.

SLEEVE: Cuffs: Cast on 50 (50,56,60,60) stitches in black with Garter carriage. Rib in 2 x 2 for 20 (30,30,30,30) rows. Take off machine on waste yarn.

Cast on 60 (70,80,80,90) stitches with waste yarn and ravel cord.

3rd page of Old Mother Hubbard

RC 000 Knit 2 rows pink.

RC 002 Pattern #903 (Border) Knit 20 rows following your color changes.

RC 022 Knit 2 rows pink.

RC 016,018,006,016,014 Increase 1 stitch each side every 7 (7,10, 11,13,) rows 11 (13,12,12,11) times. You will have 82 (96,104, 104,112) stitches when you are finished increasing.

RC 024 Pattern #901 (fleck) Knit 82 (98,114,138,148) rows with hot pink as C.C.

RC 106,122,138,162,172 Take sleeve off machine on waste yarn.

NECKBAND: When you knit your neckband, start at Stitch Size 5. Every 3 rows, tension down 1 dot. At the halfway point, start increasing 1 dot every 3 rows until you are back at your beginning stitch size. After you have knitted the 1st row, weave in 1 row of ravel cord.

Close 1 shoulder. With the wrong side facing you, pick up 104 (106 108,110,112) stitches for neckband. Knit 28 rows in black by following the instructions in preceding paragraph. Pick up all stitches above your ravel cord and close your neckband. Pull all needles out until the stitches just clear the latches, then latch tool off around 2 sinker posts for more elasticity in your neckband. Put a dowel through your neckband and give a couple of tugs to remove any flare. Close 2nd shoulder.

SLEEVE FINISHING: Hang cuff back onto your machine on 50 (50,56, 60, 60) needles. With wrong side facing you, hang sleeve back onto these same needles while decreasing 10 (20,24,20,30) stitches evenly across from the cast on edge. Pull all needles out until the stitches just clear the latches, then latch tool off around 2 sinker posts for more elasticity in your neckband.

With right side facing you, hang sweater back onto the machine on 82 (96,104,104,112) needles, while centering the shoulder seam. Wrong side facing you (right sides together), hang sleeve back onto these same needles. Let the 1st stitch slip behind the latch, keep the 2nd stitch in the hook of the needle. When you are finished, use your ruler and push the needles back until the 2nd stitch slips through the 1st. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

THREE LITTLE KITTENS

Ribbing: Stitch size 3 or 4 on Garter Carriage
Body & sleeves: Stitch size 5 Upper tension: -2

SIZE: Special size: Approx. **size 14.** 38" chest finished measurement. This sweater was made oversize and longer as a special request. Sweater length: 25" includes ribbing: Sleeve width: 18" at underarm. Sleeve length includes ribbing. 19" Sleeve is a little shorter than what this size would normally be. It is always a good idea to measure the child for whom the sweater is intended before you begin. This way you won't have any surprises later.

REGULAR SIZES: 10-12 Extra length was also added to these sweaters. If you would like them shorter, shorten them at Pattern #903 on the bottom of the sweater.

YARN: Denys Brunton 4-ply: Yarn weight is for the special size sweater. Main color yarn: #3 white - 8 ozs.
1st C.C.: #21 Jade - 1 oz.
2nd C.C.: # 7 Electric blue - 1 oz.
3rd C.C.: # 4 Red - 3 ozs.
4th C.C.: # 1 Black - 3 ozs.

STITCH GAUGE: 7.13 stitches and 11.88 rows per 1".

KH930/Comp3: Pattern #'s 902-903-905 - Selector #1
Pattern #901 - Selector #2 with 1 repeat.

KH930/Comp3: 1. Follow your color changes in the memo window. Change colors when the number is flashing. 2. When you hear the buzzer, knit 1 more row for complete pattern.

The smaller version of the kittens (Pattern #903) was added for the very small sizes that would be overpowered by the larger kittens. Follow the same procedure on knitting as the larger version.

Punchcard machines. Pattern #'s 902-903-906 - All over pattern.
Pattern #901: Read through carefully before beginning the kittens. This pattern will have to be knit in 3 sections. If you look at the kitten very close, you will see that it is only 22 stitches wide, plus a tail that is 8 stitches wide. On the right and left kittens, punch out your card with the kitten, plus the 1st 2 stitches of the tail. You will duplicate stitch in the rest of the tail later on each kitten. The middle kitten is the same as the kitten on the right. When you knit this kitten, cover the tail stitches with scotch tape.

When you reach **RC 94, 94, 118,** keep needles left 12 through right 12 on your machine in working position. Starting with the 13th needle on the right, take this section off on waste yarn, then push needles out of work. Starting with your 13th needle on the left, take this section off on waste yarn, then push needles out of work.

2nd page of Three Little Kittens

RC 094,094,118 1st section. Bring 1 empty needle on each side into working position and "e" loop cast on. You will use this stitch later for seaming. Knit 2 rows of white, then knit your kitten with black as contrast color. When finished, take off on waste yarn, set your row counter back on **094,094,118.**

RC 094,094,118 2nd section. Hang your right hand section back onto the machine. Hang your stitches, (beginning with the 1st stitch on the left of your panel) on the 12th needle on the left side of your needlebed, working toward the right. Bring another empty needle on the left into working position and "e" loop cast on for seaming later. Knit 2 rows of white, then start your 2nd kitten with black as contrast color. Take off on waste yarn when finished. Re-set RC to **094,094,118.**

RC 094,094,118 3rd section. Hang your 3rd panel, starting on the 12th needle on the right of your needlebed, then work toward the left. Bring 1 empty needle on the right into working position and "e" loop cast on. Knit 2 rows of white, knit your kitten in black, then remove on waste yarn.

Seam your sections together before you hang back onto your machine. Seam only the 1 extra stitch that you cast on at the beginning of each section. After seaming, hang your panel back onto your machine, then remove all waste yarn.

Set your row counter to **145 (145,169).** Carriage will be on your left. At **RC 145 (145,154),** decrease 15 stitches on each side for armhole. Knit in white until **RC 192 (192,216).** You will now be at Pattern #903. Move ahead to **Page 3.**

After your panel is off the machine, block and let dry thoroughly. It's easier to duplicate stitch "Three Little Kittens" before seaming your sweater together. I practiced to see how long it would take to duplicate stitch. It took 4 minutes for 1 row to go across the smaller motif, 7 minutes for 1 row for the larger motif. If you enjoy hand work as I do, you will enjoy the duplicate stitching.

Before you begin your duplicate stitching, check the diagram to make sure you are starting on the right stitch. You may have to adjust the placement of the "Three Little Kittens" motif a little because it was knitted a little different. Have fun!

Pattern #907 was added to give a few more options for the punchcard. It is 27 stitches wide, so part of the "K" would have to be duplicate stitched in. This could be used with the smaller version of the kittens on an arm, etc.

Program in Track #4

When only 1 row counter number is given, then that number is the

3rd page of Three Little Kittens

same for all sizes.

FRONT: Cast on 130 (134,136) stitches in black with G carriage. Rib in 2 x 2 for 30 rows.

RC 000 Knit 2 rows white.

RC 002 Pattern #902 (flower) Knit 15 rows.

RC 017 Knit 2 rows white.

RC 019 Pattern #903 Knit 50 (50,74) rows with red as C.C.

RC 069,069,093 Knit 2 rows white.

RC 071,071,095 Pattern #902 (flower) Knit 15 rows.

Punchcard machines: When you reach **RC 086,086,110,** knit only 8 rows of the white, then go to Pages #1 and #2 for directions on knitting Pat. #901.

RC 086,086,110 Knit 10 rows white.

RC 096,096,120 KH930/Comp3: Pattern #901 (kittens) Knit 94 rows with black as C.C.

RC 144,144,154 Decrease 15 (15,15) stitches on each side for underarm.

RC 190,190,214 Knit 2 rows white.

RC 192,192,216 Pattern #903 Knit 10 (16,10) rows to neckline. Finish the sweater with this pattern.

RC 202,208,226 Divide for neckline. To the left of 0, knit all stitches back to out of work position with ravel cord. To the right of 0, knit back 8 stitches 1 time, then (-2-1-3) (-1-1-8) (22 neck stitches decreased) When finished, knit to RC 234 (240,262).

RC 234,240,262 Take 28 (30,31) shoulder stitches off on waste yarn.

BACK: Knit same as the front but continue on to RC 226 (232,256).

RC 226,232,256 Divide neckline: To the left of 0, knit back all stitches to out of work position with a ravel cord. To the right of 0, knit back 14 stitches 1 times, then (-2-1-2) (-1-1-4) Take shoulder off on waste yarn. Knit left side same as the right except reverse neck shapings.

SLEEVES: Cuffs: Cast on 60 (64,64) stitches in black with the Garter carriage. Rib in 2 x 2 for 30 rows. Take off machine with

4th page of Three Little Kittens

waste yarn.

Sleeve: Cast on 90 (94,94) stitches with waste yarn and ravel cord.

RC 000 Knit 2 rows white.

RC 002 Pattern #902 - Knit 15 rows in pattern, following same color changes as before.

RC 012,012,008 Increase 1 stitch every 15 (15,8) rows 11 (12,21) times. You will have 112 (118,128) stitches when you are finished.

RC 017 Knit 2 rows white.

RC 019 Pattern #903 Knit 8 rows pattern.

RC 027 Knit 2 rows white.

RC 029 Pattern #905 Knit 22 rows with black as C.C.

RC 051 Knit 2 rows white.

RC 053 Pattern #903 Knit 137 (155,137) rows with red as C.C.

RC 190,208,190 Take sleeve off machine with waste yarn.

SLEEVE FINISHING: Hang cuff back onto your machine on 60 (64,64) needles. With the wrong side facing you, hang your sleeve back onto these same needles while decreasing 30 (30,30) stitches evenly across from the cast on edge. When finished, pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

NECKBAND: Close 1 shoulder. Neckband in black. Start at Stitch size 5.1. Every 3 rows tension down 1 dot or notch. When you reach the halfway point, tension up 1 dot every 3 rows until you are back at your starting stitch size. With the wrong side facing you, pick up 120 (122,124) stitches for neckband. Knit 28 rows. After you have knitted the 1st row, put in your ravel cord. When finished with your band, pick up all stitches above your ravel cord and close your neckband. Pull all needles out until the stitches just clear the latches, then latch tool off around 2 sinker posts for a more elastic neckband. Put a dowel through your neckband and give a couple of tugs to remove any flare. Close 2nd shoulder.

With right side facing you, hang sweater back onto the machine on 112 (118,128) needles. With the wrong side facing you, hang your sleeve back onto these same needles. Let the 1st stitch slip behind the latch, keep the 2nd stitch in the hook of the needle. With your ruler, push the needles back until the 2nd stitch slips through the 1st stitch. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

5th page of Three Little Kittens

****

Three little kittens, they lost their mittens,
And they began to cry,
Oh, mother dear, we sadly fear
Our mittens we have lost.
What! lost your mittens, you naughty kittens!
Then you shall have no pie.
Mee-ow, mee-ow, mee-ow,
No, you shall have no pie.

The three little kittens, they found their mittens,
And they began to cry,
Oh, mother dear, see here, see here,
Our mittens we have found.
Put on your mittens, you silly kittens,
And you shall have some pie.
Purr-r, purr-r, purr-r,
Oh, let us have some pie.

The three little kittens put on their mittens,
And soon ate up the pie.
Oh, mother dear, we greatly fear
Our mittens we have soiled.
What! soiled your mittens, you naughty kittens!
Then they began to sigh.
Mee-ow, mee-ow, mee-ow,
Then they began to sigh.

The three little kittens they washed their mittens
And hung them out to dry.
Oh! mother dear, look here, look here,
Our mittens we have washed.
What! washed your mittens, then you're good kittens,
But I smell a rat close by.
Mee-ow, mee-ow, mee-ow,
We smell a rat close by.

27 stitches by 29 rows.
To be used for the Punch-
card macahines.

PETER PETER PUMPKIN EATER

Ribbing: Stitch size 4 on G carriage
Body and sleeves: Stitch size 5 - upper tension dial -3

SIZES: 2-4-6-8 Sizes 4 and 6 were made a little longer because of pattern design length.

YARN: Tepeyac: Main color: White: 6 ozs.
1st C.C.: Morado #14 (blue) 4 ozs.
2nd C.C.: Tulipan #4 (rose) 1 oz.
3rd C.C.: Black: 1 oz.
4th C.C.: Palmera #86 (green) To be used if the alternate border is used.
Yarn amounts given are for size 6.

STITCH GAUGE: 7.50 stitches and 12.25 rows per 1".
Gauge was taken in stocking stitch.

KH930/Comp3: Patterns #906-907-908-911-913 - Selector #2 with 1 repeat.
Patterns #905-909-912 - Selector #1.

Punchcard: Patterns #906-907-908-911-913 - 1 single motif.
Patterns #905-909-912 - All over pattern.

Punchcard: For the border of "Peter Peter Pumpkin Eater", duplicate stitch the wording in after you have finished your panel. If you do not want to take the extra time, then substitute Pattern #905 for the border. It is 7 rows longer, so after it has been knitted, turn your row counter back **7 rows** so you will still be on the correct row counter row as you finish your sweater.

KH930/Comp3: When you hear the buzzer, knit 1 more row for a complete pattern. Watch your memo window for color changes. Change colors when number is flashing.

Punchcard: The color numbers are listed in the memo column to the left of the printed design.

Program in Track #3

When only 1 row counter number is given, then that number is the same for all sizes.

FRONT: Cast on 98 (108,120,128) stitches in blue. Rib in 2 x 2 with G carriage for 20 (30,30,30) rows.

RC 000 Change to white in feeder #1. Knit 4 (2,2,4) rows white.

RC 004,002,002,004 Pattern #911 - (Border) Knit 15 rows.

RC 019,017,017,019 Knit 5 (2,2,4) rows white.

2nd page of Peter Peter Pumpkin Eater

RC 024 **Size 2** doesn't have enough row length to stagger the patterns, so knit both Peter and his wife side by side. On the right side of your machine, starting at 0, knit all stitches back to out of work position with ravel cord. On the left side of your machine, knit 1 single motif of Pattern #906 (Peter) (36 rows) on needles **13 through 36.** When finished, knit 2 rows of white. Knit all left side needles back to out of work position with ravel cord.

Re-set **RC to 24** Bring right side needles into working position. Knit 36 rows of Pattern #907 (wife), on needles **13 through 36** on right side of machine. Knit 2 rows white. Bring left side needles back into working position. Knit 4 more rows of white over all needles. You will now be at RC 066 (Pumpkin). Seam your middle section after you have blocked it.

RC 019,019,023 **Sizes 4-6-8:** Pattern #906 (Peter) **KH930/Comp3:** Selector #2 with 1 repeat. Change 1st needle position to **Yellow 36. Punchcard:** Set single motif on **needles 13 through 36** on the left of your needlebed. Knit 36 rows following your color changes.

RC 055,055,059 Knit 2 (2,4) rows white.

RC 057,057,063 Pattern #907 (wife) **KH930/Comp3:** Selector #2 with 1 repeat. Change 1st needle position to **Yellow 12. Punchcard:** Set single motif on needles **12 right and 12 left** on your needlebed. Knit 36 rows following your color changes.

RC 093,093,099 Knit 2 (2,4) rows white.

RC 066,095,095,103 Pattern #908 (Pumpkin) **Size 2:** Center the pumpkin. **Sizes 4-6-8: KH930/Comp3:** Selector #2 with 1 repeat. Change 1st needle position to **Green 12. Punchcard:** 1 single motif. Set single motif on needles **13 through 36** on the right of your needlebed. Knit 39 rows with black as C.C.

RC 92,118,114,124 Cast off 7 (7,11,13) stitches on each side for underarm.

RC 105,134,134,142 Knit 6 (6,6,8) rows white.

RC 111,140,140,150 Pattern #909 (clouds) Knit 15 rows with blue as C.C.

RC 126,155,155,165 **Change to blue in feeder #1.** Knit 4 (7,7,7) rows.

RC 130 **Size 2:** Divide for neckline same as following sizes. Knit back 8 stitches 1 time, then (-2-1-2) (-1-1-7). (19 neck stitches decreased). When finished, knit straight until RC 160. Take 23 shoulder stitches off on waste yarn.

3rd page of Peter Peter Pumpkin Eater

RC 162,162,172 Sizes 4-6-8: Divide for neckline. Knit all stitches to the left of 0 back to out of work position with ravel cord. To the right of 0, knit back 8 stitches 1 time, then (-2-1-3) (-1-1-9). (23 neck stitches decreased) When finished knit straight until RC 198 (200,210).

RC 198,200,210 Take off 24 (26,28) shoulder stitches on waste yarn.

All sizes, knit left side same as the right except reverse all neck shapings. When finished bring neckline stitches back into working position, knit 1 row over all stitches in blue, then remove on waste yarn.

BACK: Knit same as the front but continue knitting until RC 150 (188,190,200).

RC 150 Size 2: Divide for neckline, following same instructions as below. Knit back 11 stitches 1 time, then (-1-1-8). At RC 160, take 23 shoulder stitches on waste yarn.

RC 188,190,200 Sizes 4-6-8: Divide for back neckline. Knit all stitches to the left of 0 back to out of work position with ravel cord. To the right of 0, knit back 15 stitches 1 time, then (-1-1-8) At RC 198 (200,210) take shoulder stitches off on waste yarn.

All sizes, repeat for left side, except reverse neck shapings. When finished, bring neck stitches back into working position, knit 1 row over all stitches with blue yarn, then take off on waste yarn.

SLEEVE: Cuffs: Cast on 50 (50,56,60) stitches in blue with G carriage. All sizes, rib in 2 x 2 for 30 rows. Take off machine with waste yarn.

Cast on 60 (70,80,80) stitches with waste yarn and ravel cord.

RC 000 Knit 2 (4,4,4,) rows white.

RC 002,004,004,004 Pattern #913 Knit 15 rows. (Border, "Pumpkin Eater")

Follow the same color changes as on the sweater body.

RC 016,016,016,016 Increase 1 stitch each side every 8 (8,10,12) rows 12 (14,13,13) times. You will have 84 (98,106,106) stitches when you are finished increasing.

RC 017,019,019,019 Knit 19 (26,36,48) rows white.

RC 036,045,055,067 Pattern #912 Knit 34 rows in pattern with blue as C.C.

4th page of Peter Peter Pumpkin Eater

RC 070,079,089,101 Knit 19 (26,36,48) rows in white.

RC 089,105,125,149 Pattern #909 (clouds) Knit 15 rows with blue as C.C. Turn off pattern.

RC 104,120,140,164 Change to blue in feeder #1. Knit 20 rows.

RC 124,140,160,184 Take off machine with waste yarn.

NECKBAND: When you knit your neckband, start at Stitch Size 5. Every 3 rows, tension down 1 dot. At the halfway point, start increasing 1 dot every 3 rows until you are back at your beginning stitch size. After you have knitted the 1st row, weave in 1 row of ravel cord.

Close 1 shoulder. With the wrong side facing you, pick up 104 (108,110,112) stitches for neckband. Band: Knit 28 rows in blue by following the instructions in preceding paragraph. Pick up all stitches above your ravel cord and close your neckband. Pull all needles out until the stitches just clear the latches, then latch tool off around 2 sinker posts for more elasticity in your neck-band. Put a dowel through your neckband and give a couple of tugs to remove any flare. Close 2nd shoulder.

SLEEVE FINISHING: Hang cuff back onto your machine on 50 (50,56, 60) needles. With the wrong side facing you, hang sleeve back onto these same needles while decreasing 10 (20,24,20) stitches evenly across from the cast on edge. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

With right side facing you, hang sweater back onto the machine on 84 (98,106,106) needles, while centering the shoulder seam. Wrong side facing you, hang sleeve back onto these same needles. Let the 1st stitch slip behind the latch, keep the 2nd stitch in the hook of the needle. When you are finished, use your ruler and push the needles back until the 2nd stitch slips through the 1st. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

****

Peter, Peter, Pumpkin eater,
Had a wife and couldn't keep her.
He put her in a pumpkin shell,
And there he kept her very well.

****

AN APPLE A DAY

Ribbing: Stitch size 4 on Garter carriage
Body & sleeves: Stitch size 5 Upper tension: -3

SIZES: 8-10-12-14 All sizes were made 1.50" longer than shown on measurement chart.

YARN: Tepeyac: Main color: red - 10 ozs.
1st C.C.: black - 5 ozs.
2nd C.C.: white - 5 ozs.
3rd C.C.: green - 1/2 oz.
All ribbing, including neckband in black.
Yarn amounts given are for size 12

STITCH GAUGE: 7.50 stitches and 11.50 rows equal 1".

KH930/Comp3: Patterns 906-907, Selector #1. Pattern #905 - single motif. **Watch your memo window. Change colors when number is flashing.**

Punchcard: Patterns 906-907 - All over pattern. Pattern 905 - single motif. **Your color changes are marked in the memo window to the far left of the pattern design. Mark your punchcards accordingly.**

Check Hints Section on finishing techniques, blocking, floats, and single motifs.

FINISHING: When you are finished with your front and back sweater bodies, there will be some duplicate stitching. Duplicate stitch the worm on the apples in black. The first 2 rows of the leaf will be in white. Duplicate stitch them in green. Duplicate stitch the eye of the worm in yellow.

When you are knitting the apple, wrap on each side of each leaf the same as you would if you were just knitting a single motif. This is to prevent the stitches from parting on each side of the leaf.

When only 1 Row Counter number is given, then use that number for all sizes.

Program Track #2

FRONT: Cast on 128 (132,136,140) stitches in red with Garter carriage. Rib in 2 x 2 for 30 (rows.

RC 000 Pattern #906 Knit 48 (48,56,64) rows. Pattern: Rows 1 and 2 in white, rows 3 and 4 in black, rows 5 and 6 in white, the 2 empty rows in red.

RC 048,048,056,064 Pattern #907 Knit 27 rows.

RC 075,075,083,091 Knit 4 rows red.

2nd page of An Apple A Day

RC 079,079,087,095 Pattern #905 (apple) **Sizes 8-10:** 4 single motifs. **Sizes 12-14:** 5 single motifs. Knit 40 rows.

RC 119,119,127,135 Knit 4 rows red.

RC 132,132,132,138 Decrease 15 (15,15,17) stitches on each side for underarm.

RC 123,123,131,139 Pattern #907 Knit 27 rows.

RC 150,150,158,166 Knit 2 rows red.

RC 152,152,160,168 Pattern #906 Knit 26 (30,28,32) rows following your color changes.

RC 178,182,188,200 Divide for neckline. Put everything to the left of 0 to out of work position. To the right of 0, knit back 10 stitches 1 time, then (-2-1-2) (-1-1-9) (23 neck stitches decreased) When you are finished decreasing knit straight to RC 214 (218,224,236).

RC 214,218,224,236, Take 26 (28,30,30) shoulder stitches off with waste yarn. Repeat for left side except reverse all neck shapings. When finished, bring right side neckline stitches into working position, knit 1 row over all stitches with red yarn, then remove on waste yarn.

BACK: Knit same as the front but continue on until RC 206 (210,216 228)

RC 206,210,216,228 Divide for back neck. Decrease 14 stitches 1 time, (-2-1-2) (-1-1-5) Take shoulder stitches off on waste yarn at RC 214 (218,224,236). Repeat on left side, except reverse neck shapings. When finished, bring right side neckline stitches into working position, knit 1 row over all stitches with red yarn, then remove on waste yarn.

SLEEVES: Cuffs: Cast on 60 (60,64,68) stitches in red with Garter carriage. Rib in 2 x 2 for 30 rows. Take off machine on waste yarn.

Sleeves: Cast on 80 (90,94,96) stitches with waste yarn and ravel cord.

RC 000 Knit 2 rows red.

RC 002 Pattern #907 Knit 27 rows only of pattern following same color changes as the front.

RC 018,016,020,014 Increase 1 stitch each side every 11 (14,13,12) rows 13 (11,13,16) times. You will have 106 (112,120,128) stitches when you are finished increasing.

3rd page of An Apple A Day

RC 029 Knit 2 rows red.

RC 031 Pattern #906 Knit 144 (152,168,192 rows.

RC 175,183,199,223 Take 106 (112,120,128) sleeve stitches off machine on waste yarn.

When you knit your neckband, start at Stitch Size 5. Every 3 rows, tension down 1 dot. At the halfway point, start increasing 1 dot every 3 rows until you are back at your beginning stitch size. After you have knitted the 1st row, weave in 1 row of ravel cord.

NECKBAND: Close 1 shoulder. Pick up 112 (114,116,118) stitches from neckline. Knit 30 rows. Pick up all stitches above the ravel cord and close neckband. Pull all needles out until the stitches just clear the latches then latch tool off around 2 sinker posts for more elasticity in the neckband.

SLEEVE AND SWEATER FINISHING: Put cuff back onto machine on 60 (60,64,68) needles. With wrong side facing you, put sleeve back onto machine onto these same needles while decreasing 20 (30,30,28) stitches evenly across from the cast on edge. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

With the right side facing you, put sweater back onto the machine on 106 (112,120,128) needles and center the shoulder seam. With the wrong side facing you, put sleeve back onto the machine onto these same needles. As you are hanging the sleeve let the 1st stitch slip behind the latch and keep the 2nd stitch in the hook of the needle. With your ruler, push the needles back until the 1st stitch slips through the 2nd stitch. Pull all needles out until the stitches just clear the latches then latch tool off around the sinker posts.

****

The following are 4 separate little verses, not 1 single verse.

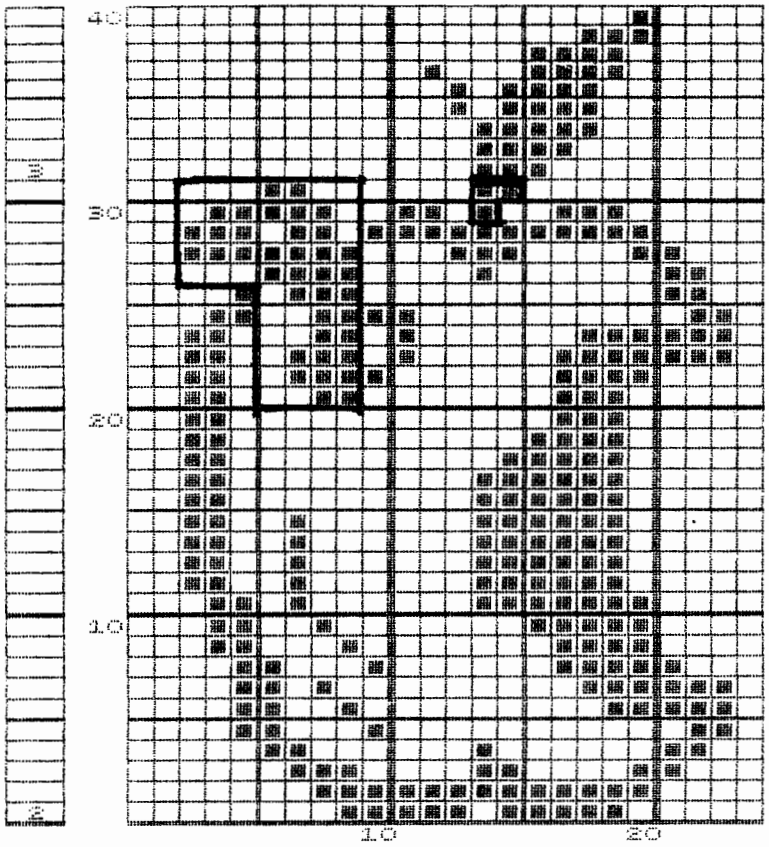
An Apple a Day
Keeps the Doctor away.

Roast apple at night,
Starves the Doctor outright.

Eat an apple going to bed,
Knock the Doctor on the head.

Three each day, seven days a week,
Ruddy apple, ruddy cheek.

****

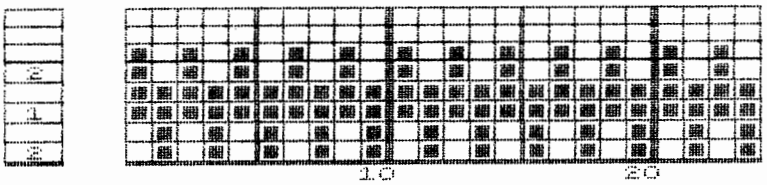


Track #2 - Pattern #905
24 stitches by 40 rows.

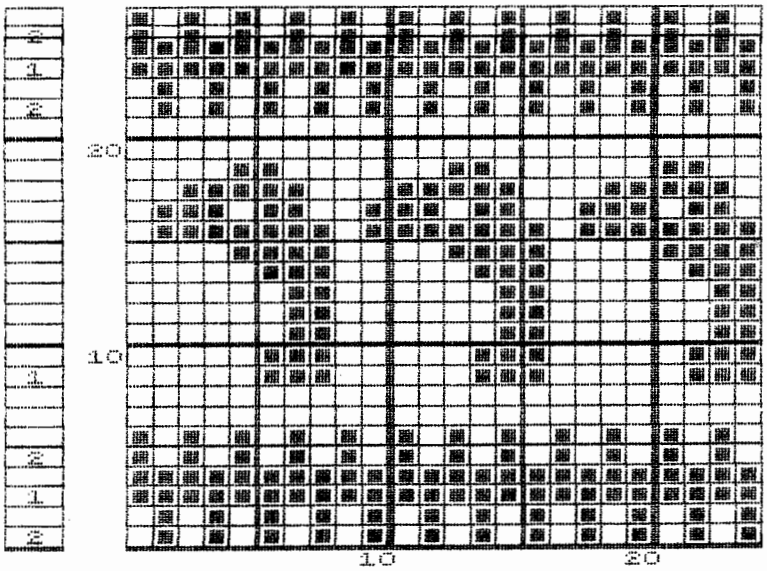
Duplicate stitch in green the 3 stitches on the bottom of the leaf.

Duplicate stitch the worm in black.

Duplicate stitch the eye in yellow.



Track #2 - Pattern #906
24 stitches by 8 rows.



Track #2 - Pattern #907
24 stitches by 27 rows.

Duplicate stitch the eyes in yellow.

LITTLE BOY BLUE

Ribbing: Stitch size 4 on Garter carriage.
Body and sleeves: Stitch size 5. Upper tension: -3

SIZES: 2-4-6-8-10

YARN: Tepeyac: Main color: #20 pale blue - 10 ozs.
1st C.C.: #29 red - 1 oz.
2nd C.C.: #57 dark blue - 3 ozs.
Yarn amounts given are for size 8.

STITCH GAUGE: 7.1/2 stitches and 11.1/2 rows equal 1".

KH930/Comp3: Patterns #908-909-910 - Selector #1
Pattern #911 - (Boy Blue) Selector #2
Punchcard: Patterns #908-909-910 - all over pattern
Pattern #911 - (Boy Blue)

The sheep would be cuter in white or black.

All ribbed bands, including neckband, are in dark blue.

Check Hints Section on finishing techniques, blocking, etc.

KH930/Comp3: 1. When you hear the buzzer, knit 1 more row for complete pattern. 2. Watch your Memo window and change colors when the number is flashing.

Punchcard: Color numbers are shown on the far left in the memo column of the pattern design. Mark your cards accordingly.

When only 1 row counter number is listed, then use that number for all sizes.

Program in Track # 2

FRONT: With G carriage, cast on 98 (110,120,128,132) stitches in dark blue. Rib in 2 x 2 for 20 (20,30,30,30) rows.

RC 000 Knit 24 (2,4,1,1) rows pale blue.

RC 024,002,004,001,001 Pattern #908 - (Border) Knit 6 rows with red as C.C.

RC 030,008,010,007,007 Knit 4 (2,2,2,2) rows pale blue.

RC 034,010,012,009,009 Pattern #909 (fleck) Knit 0 (26,36,51,51) rows with dark blue as C.C.

RC 034,036,048,060,060 Knit 0 (2,2,2,2) rows pale blue.

RC 034,038,050,062,062 Pattern #908 (Border) Knit 0 (6,6,6,6) rows with red as C.C.

2nd page of Little Boy Blue

RC 034,044,056,068,068 Knit 0 (4,4,4,4) rows pale blue.

RC 034.048,060,072,072 Pattern #910 (Sheep) Knit 10 (22,22,22,22) rows with dark blue as C.C.

RC 044,070,082,094,094 Knit 4 rows pale blue.

RC 048,074,086,098,098 Pattern #911 (Boy Blue) Knit 50 rows with dark blue as C.C. **Sizes 2 and 4:** 3 single motifs. **Sizes 6-8-10:** 4 Single motifs.

RC 086,98,104,116,116 Decrease 8 (8,11,15,15) stitches on each side for underarm.

RC 098,124,136,148,148 Knit 4 (2,2,2,2) rows pale blue.

RC 102,126,138,150,150 Pattern #909 (fleck) Knit 0 (12,12,12,18) rows to neckline with dark blue as C.C. Finish your sweater in the fleck pattern.

RC 102 Size 2 only: Pattern #908 - Knit 6 rows, turn off pattern and knit 12 rows in blue. You will be at **RC 120 for neckline.**

RC 120,138,150,162,168 Divide for neckline: To the left of 0, knit all stitches back to out of work position with a ravel cord. To the right of 0, knit back 10 stitches 1 time, then (-2-1-2) (-1-1-9) (23 neck stitches decreased). When finished knit straight to RC 150 (174,186,198,202).

RC 150,174,186,198,202 Take 18 (24,26,26,28) shoulder stitches off on waste yarn. Knit left side same as the right except reverse neck shapings. Bring neck stitches back into working position, knit 1 row over all stitches with dark blue, then take off machine with waste yarn.

BACK: Knit same as the front but continue on until RC 142 (166, 178,190,194).

RC 142,166,178,190,194 Divide for neckline. Knit back 14 stitches 1 time, then (-2-1-2) (-1-1-5). At RC 150 (174,186,198,202) take shoulder off on waste yarn. Complete left side same as the right except reverse neck shapings. Bring neck stitches back into working position, knit 1 row with dark blue, then take off machine on waste yarn.

SLEEVES: Cuffs: Cast on 50 (50,56,60,60) stitches in dark blue with G carriage. Rib in 2 x 2 for 20 (20,30,30,30) rows. Take off machine on waste yarn.

Sleeves: Cast on 60 (70,80,80,90) stitches with waste yarn and ravel cord.

3rd page of Little Boy Blue

RC 000 With pale blue knit 4 rows.

RC 004 Pattern #908 (Border) Knit 6 rows with red as C.C.

RC 016,008,008,018,016 Increase 1 stitch each side every 8 (8, 10,11,14) rows 11 (14,13,13,11) times. You will have 82 (98,106, 106,112) stitches when you are finished increasing.

RC 010 Knit 4 rows pale blue.

RC 014 Pattern #910 - (Sheep) Knit 22 rows with dark blue as C.C.

RC 036 Knit 2 rows pale blue.

RC 038 Pattern #909 (fleck) Knit 78 (94,114,138,148) rows with dark blue as C.C.

RC 116,132,152,176,186 Take sleeve off on waste yarn.

SLEEVE AND SWEATER FINISHING: Put cuff back onto machine on 50 (50 56,60,60) needles. With the wrong side facing you hang sleeve back onto these same needles while decreasing 10 (20,24,20,30) stitches evenly across from the cast on edge. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

When you knit your neckband, start at Stitch size 5.1. Every 3 rows tension down 1 dot or notch. At the halfway point, tension up 1 dot or notch until you are back at your beginning stitch size. After you have knitted the 1st row, weave in a ravel cord.

NECKBAND: Neckband: Close 1 shoulder. With the wrong side facing you pick up 104 (108,110,112,114) stitches for neckband. Knit 28 rows. Pick up your stitches above the ravel cord and close your neckband. Pull all needles out until the stitches just clear the latches then latch tool off around the sinker posts. (Latch tool off around 2 sinker posts at a time for a more elastic neckline). Put a dowel through your neckband and give a couple of tugs to remove any flare. Close 2nd shoulder.

With the right side facing you, hang your sweater back onto the machine on 82 (98,106,106,112) needles while centering the shoulder seam. With the wrong side facing you, hang your sleeve back onto these same needles. Let the 1st stitch slip behind the latch and keep 2nd stitch in the hook of the needle. With your ruler, push the needles back until the 2nd stitch slips through the 1st stitch. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

4th page of Little Boy Blue

****

Little Boy Blue,
Come blow your horn,
The sheep's in the meadow,
The cow's in the corn.
Where is the little boy
Who looks after the Sheep?
He's under the haystack fast asleep.
Will you wake him?
No, not I,
For, if I do, he's sure to cry.

HEN AND BABY CHICKS

Ribbing: Stitch size 4 on Garter carriage
Body and sleeves: Stitch size 5: - Upper tension -3

SIZE: 2-4-6 Size 2 was made a little longer than shown on the Measurement chart because of the way the pattern was designed.

YARN: Tepeyac: Main color: white - #10 (blanco) 1 cone.
1st C.C.: red - #29 (escarlata) 1/2 oz.
2nd C.C.: brown - #03 (cocoa) 1 oz.
3rd C.C.: yellow - #39A (congoles) (dark gold) 1/2 oz. A lighter yellow was used in the sweater, but it didn't show up too well.
Yarn amount given is for size 4

STITCH GAUGE: 7.1/2 stitches and 12.25 rows per 1".
Gauge was taken in stocking stitch.

KH930/Comp3: Pattern #910 - (Chicks) Selector #2
Pattern #911 - Selector #2 with 1 repeat

Punchcard: Pattern #910 - (Chicks) Single motif
Pattern #911 - (Hen) 1 single motif

When only 1 Row counter number is given, then use that number for all sizes.

Program in Track #1 - white in feeder #1

FRONT: Cast on 98 (108,120) stitches in brown with Garter carriage. Rib in 2 x 2 for 22 rows. Rib 8 rows brown, 2 rows yellow, 2 rows brown, 2 rows yellow, 8 rows brown.

RC 000 Knit 4 rows white.

RC 004 Knit 2 rows brown, 2 rows yellow.

RC 008 Knit 4 rows white.

RC 012 Pattern #910 (chicks) Single motif. Knit 2 pattern repeats (4 chicks) Knit 20 rows with yellow as contrast color.

RC 032 Knit 4 rows white.

RC 036 Knit 2 rows brown, 2 rows yellow.

RC 040 Knit 4 rows white.

RC 044 Pattern #910 (chicks) Knit 2 pattern repeats (4 chicks) Knit 20 rows with brown as contrast color.

RC 064 Knit 4 rows white.

RC 068 Knit 2 rows brown, 2 rows yellow.

RC 072 Knit 4 rows white.

2nd page of Hen and Chicks

RC 076 Pattern #910 (chicks) Knit 1 single motif (2 chicks) Knit 20 rows with red as contrast color.

RC 096 Knit 4 rows white.

RC 100 Knit 2 rows brown, 2 rows yellow.

RC 104 Knit 4 rows white.

RC 108 Pattern #911 (Hen) **KH930/Comp3:** Change 1st needle position to Yellow 30. **Punchcard:** Center your hen on your needlebed. Knit the 1st 3 rows in yellow. After your 2 empty rows, change to red for the hen. **All sizes:** When finished with pattern, finish sweater in white.

RC 110,100,110 Decrease 7 (7,11) stitches on each side for underarm.

RC 150,150,158 Divide for neckline. To the left of 0, knit all stitches back to out of work position with ravel cord. To the right of 0, knit back 8 (8,8) stitches 1 time, then (-2-1-2) (-1-1-8,11,11) (20 (23,23) neck stitches decreased). Knit to RC 180 (180,196).

RC 180,180,196 Take off 22 (24,26) shoulder stitches on waste yarn. Knit left side same as the right except reverse neck shapings. Bring neckline stitches into working position, knit 1 row over all stitches, then remove on waste yarn.

BACK: Knit same as the front but continue on until RC 170 (170, 186).

RC 170,170,186 Divide for neckline. To the left of 0, knit all stitches back to out of work position. To the right of 0, knit back 12 (15,15) stitches 1 time, then (-1-1-8) At RC 180 (180,196) take shoulder stitches off on waste yarn. Repeat for left side except reverse neck shapings. Bring neckline stitches into working position, knit 1 row over all stitches and remove on waste yarn.

SLEEVE: Cuffs: Cast on 50 (50, 56) stitches with Garter carriage in brown. Rib in 2 x 2 for 22 rows. Rib 8 rows brown 2 rows yellow, 2 rows brown, 2 rows yellow, 8 rows brown. Take off machine on waste yarn or garter bar.

Sleeve: Cast on 60 (70,80) stitches with waste yarn and ravel cord.

RC 000 Knit 4 rows white. Keep white in feeder #1.

RC 004 Knit 2 rows brown, 2 rows yellow.

RC 008 Knit 4 rows white.

RC 008,016,016 Increase 1 stitch each side every 9 (8,10) rows 12

3rd page of Hen and Chicks

(14,13) times. You will have 84 (98,106) stitches when you are finished increasing.

RC 012 Pattern #910 (chicks) All over pattern. Knit 20 rows with yellow as contrast yarn.

RC 032 Knit 4 rows white.

RC 036 Knit 2 rows brown, 2 rows yellow.

RC 040 Knit 84 (100,120) rows in white.

RC 124,140,160 Take sleeve off machine on waste yarn.

SLEEVE FINISHING: Put cuff back onto the machine on 50 (50,56) needles. With the wrong side facing you, put sleeve back onto the machine on these same needles while decreasing 10 (20,24) stitches evenly across from the cast on edge. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

NECKBAND: Close 1 shoulder. Pick up 104 (108,110) stitches from the neck area. Start at stitch size 5. Knit 1 row, then put in your ravel cord. **Knit 4 rows brown, 2 rows yellow, 2 rows brown, 2 rows yellow, 18 rows brown.** Tension down every 3 rows 1 dot, then at the halfway point, tension up 1 dot every 3 rows. At RC 28, close your neckband by picking up the stitches above the ravel cord. Pull all needles out until the stitches just clear the latches, then latch tool off around 2 sinker posts for more elasticity in your neckband. Put a dowel through your neckband and give a couple of tugs to remove any flare. Close 2nd shoulder.

With the right side facing you, hang your sweater back onto your machine on 84 (98,106) needles. With the wrong side facing you, hang your sleeve back onto the machine on these same needles. Let the 1st stitch slip behind the latch, keep the 2nd stitch in the hook of the needle. When finished, use your ruler and push your needles back until the 2nd stitch slips through the 1st. Pull all needles out until the stitches just clear the latches, then latch tool off around the sinker posts.

****

Chook, chook, chook, chook,
Good morning, Mrs. Hen.
How many chickens do you have?
Madam, I have ten.
Four of them are yellow,
And four of them are brown,
And two of them are speckled red,
The nicest in the town.
