

MAKE 5

STAR STYLES

WITH KNIT-1

MAKE A STAR SWEATER

Star Sweater

The stitches and rows specified make a garment that is approximately UK size 8-10 (Small), but you can modify this pattern to make a **Medium** or **Large** Sweater.

It is long length sweater, with a single motif and repeat Jacquard pattern. It is made on a Brother 5g machine. You will need to a blank punch card and puncher to make this same design as we have used, or you can use a punch card of your choice. If you are a beginner in Jacquard you may want to purchase our "IMPACTIVE JACQUARDS" Book or Download from our website: knitdesigncourses.com

The finished dimensions for a (small) after washing are:

- ❖ Centre Back to Hem: 68cm
- ❖ Bodice Width (underarm to underarm): 42cm
- ❖ Shoulder to Cuff: 58cm

This garment was made on a standard 5gg domestic knitting machine on tension 6.2 using 1 end of 2/15s Lambswool. This is only a guide as machine tensions vary according to make and user.

The tension that needs to be matched is in 10cm there is 42 rows and 28 stitches, this is the unwashed tension.

In order to change the size according to your own body shape, simply calculate the rows and stitches and add or subtract these to suit your body shape. Of course you can easily modify the design to make, for instance a longer sweater dress version or a short sleeve version, etc.

The sweater will be knitted making the front bodice first, followed by the back bodice, these pieces are then cast off on the machine together. Then make the sleeves and sew up the sleeve and side seams.

To finish the garment, wash the fabric in luke warm water and a little fabric detergent will take out any natural oil from the yarn and soften the finish. We then spun out excess water on the spin cycle in the washing machine and dried it in a warm tumble dryer.

Star Sweater

*Knitted on a 5g Machine,
using Tension 8.2

*YOU MUST MAKE THE FRONT
BODICE FIRST!

*THE FRONT BODICE MUST BE
CAST OFF WITH THE BACK
BODICE

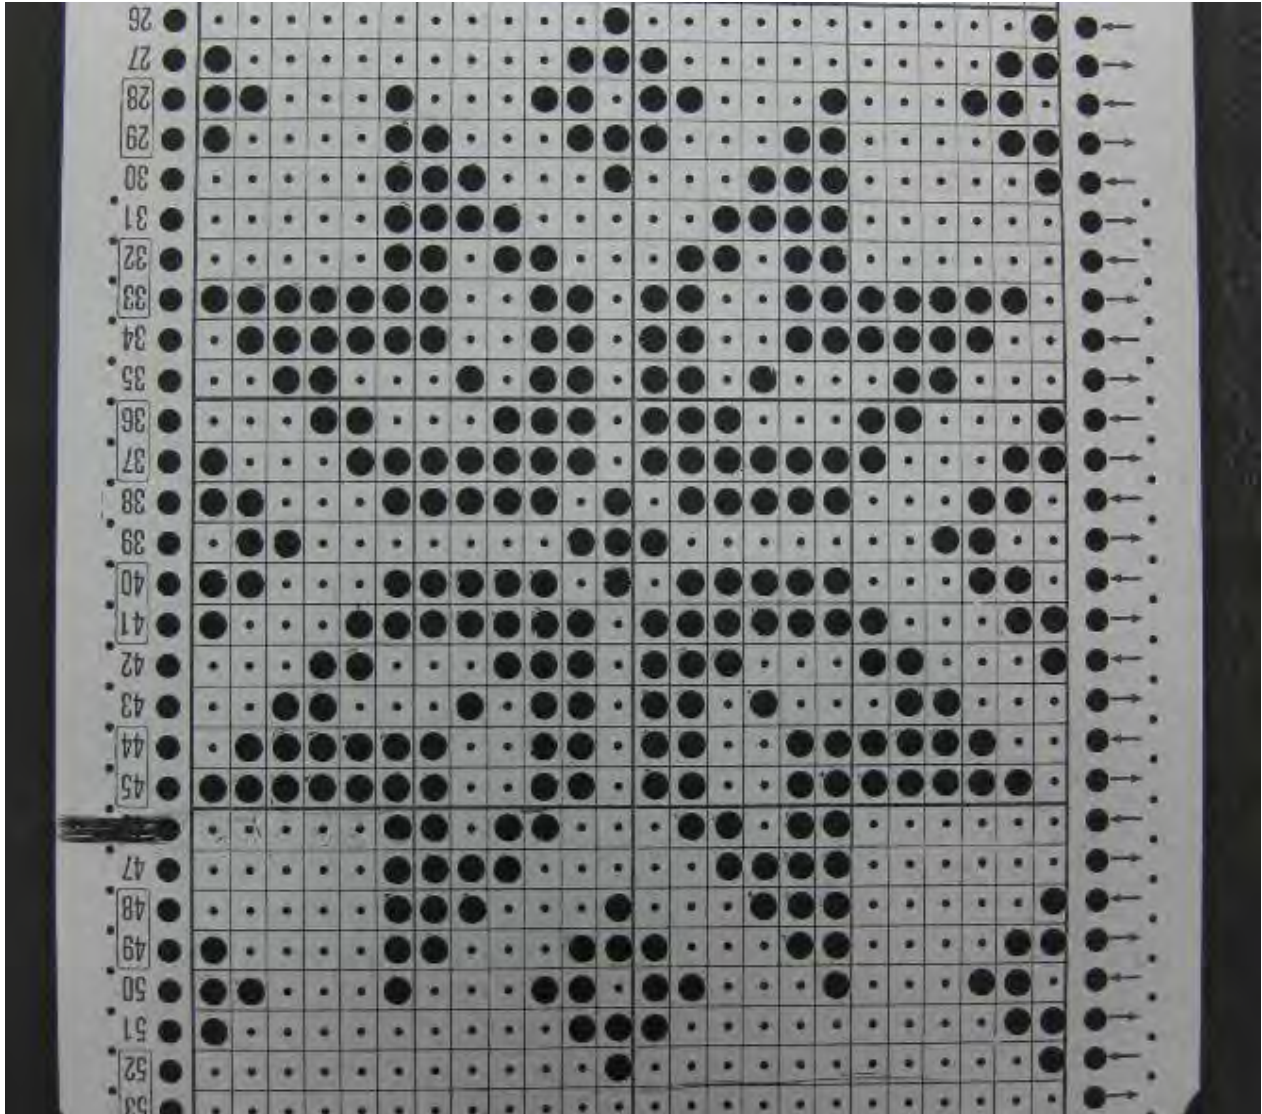

Black - SMALL
Red - MEDIUM
Green - LARGE

Punch Card Design

Star Jacquard

This punch card is a 5 gauge card; we have chosen a star design. The pattern repeat is over 24 stitches, and the pattern is 27 rows in total.

Bodice (Front)

***The front is made FIRST, this is important later!**

To Make the Front:

- ❖ Loosely e-wrap 120 (135) (150) needles using your main colour
- ❖ Knit 230 Rows

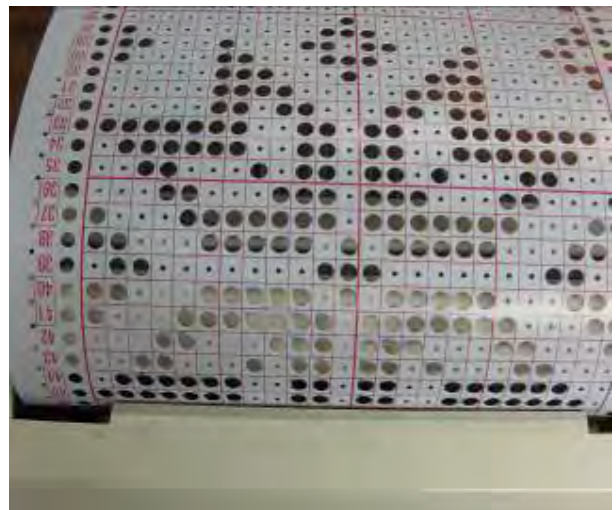

- ❖ Decrease 1 stitch every 2 rows, for 20 rows, creating the armhole, do this on both sides of the bodice

To create the single motif:

- ❖ Punch out a card copying the motif on page 2, or use a design of your choice
- ❖ Set up the punch card in the machine
- ❖ Set carriage to KC
- ❖ Set the punch card to its registering row, knit 1 row bringing the needles forward

To isolate the pattern, push the needles back manually (into B Position) either side of the central 24 needles. Doing this allows the creation of a single motif without having large floats.

- ❖ Isolate the pattern
- ❖ Set carriage to MC
- ❖ Add the second yarn into feeder B
- ❖ Knit 27 rows of the pattern
- ❖ Knit 22 Rows Plain
- ❖ Cast off the central 60 stitches for the neckline, using the latch tool

- ❖ Put half the knitting on “hold” using H on your carriage
- ❖ On the knit half , decrease 1 stitch every 2 rows for 10 rows at the neckline and cast off the straps with waste yarn
- ❖ Do the same on the opposite half

This is your front bodice complete!!

Bodice (Back)

***This Back Bodice gets cast off with the Front!**

To Make the Back:

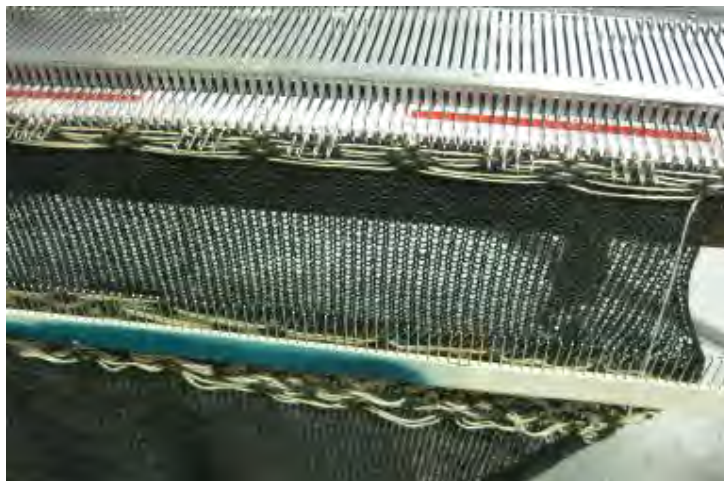

- ❖ Loosely e-wrap 120 (135) (150) needles with your main colour
- ❖ Knit 202 Rows

To create the repeat Jacquard:

- ❖ Set up the punch card in the machine as before
- ❖ Set carriage to KC

- ❖ Knit 1 row to set the punch card to its starting row, bringing the needles forward across the whole bed, as this time the pattern is an all over repeat

- ❖ Set the carriage to MC, add your second yarn into feeder B
- ❖ Knit 27 Rows of the pattern

- ❖ Decrease 1 stitch every 2 rows, for 20 rows, creating the armhole, do this on both sides of the knitting
- ❖ Repeat the jacquard
- ❖ Knit 32 Rows Plain

Hang the FRONT BODICE onto the shoulder stitches of the BACK BODICE, then knit a loose row in a **contrasting yarn** and cast off.

- ❖ Gently steam both your pieces with the iron

Sleeves

- ❖ Loosely e-wrap 60 (72) (80) stitches

To create a single Jacquard motif up the centre of your sleeve

- ❖ Set up the punch card in the machine as before
- ❖ Set carriage to KC
- ❖ Knit 1 row to set the punch card to its starting row, bringing the needles forward across the whole bed, then isolate the needles so only the centre are knitting, as for the front bodice
- ❖ Set carriage to MC, add the second yarn into feeder B
- ❖ Knit 70 rows, repeat the pattern every 27 rows with 1 row plain between
- ❖ Increase 1 stitch every 6 rows for 120 rows for the small size sweater
- ❖ Increase 1 stitch every (10) (19) Rows for 190 Rows from the e-wrap edge if making a (medium) (large)
- ❖ Cast off 10 stitches each side, then knit 46 rows, decreasing 1 stitch every 2 rows both sides (for all sizes)

- ❖ Cast off with a loose row using the latch tool

- ❖ MAKE A PAIR OF THESE!

Finishing your Garment

To complete the garment:

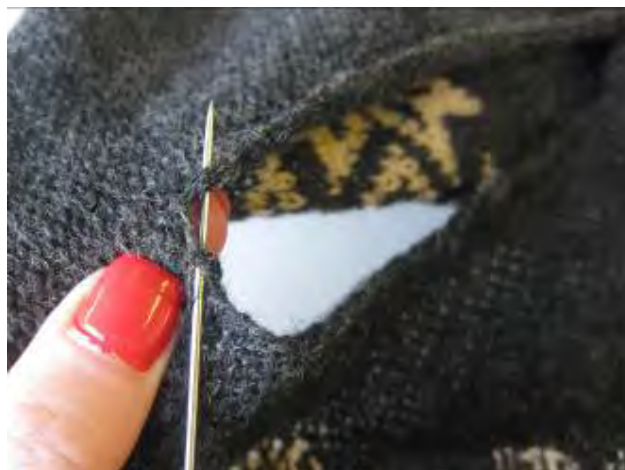

- ❖ Gently steam iron all pieces on the reverse (purl) side of the fabric

- ❖ Hand stitch or link the sleeves to bodice, by aligning shoulder seam with centre of the sleeve head and sew the under arms together

- ❖ Stitch together side seams from cuffs to hem
- ❖ To finish the garment, wash the fabric in luke warm water and a little detergent, this will take out any natural oil from the Lambswool and soften the fabric
- ❖ Then spin out all the excess water, dry your garment for around 10 minutes in warm tumble dryer

MAKE A STAR COWL

Star Cowl

This pattern makes a Cowl using the repeat Jacquard pattern, the Star, used before and also a Diamond Dot pattern, and a Stripe sequence. You will need access to a machine with a jacquard facility and you will need to a blank punch card and puncher to make this same design as we have used, or you can use a punch card of your choice.

The finished dimensions after washing are:

- ❖ Width: 42cm
- ❖ Length: 124cm

This scarf was made on a standard 5gg domestic knitting machine on tension 8 using 1 end of 2/15s Lambswool. This is only a guide as machine tensions vary according to make and user.

The tension that needs to be matched is in 10cm there is 40 rows and 32 stitches, this is the washed tension.

In order to change the size, simply calculate the rows and stitches and add or subtract these to create a wider/longer cowl.

The cowl edges are cast off together on the machine, rehanging the e-wrapped edge onto the machine once your pattern repeats are complete.

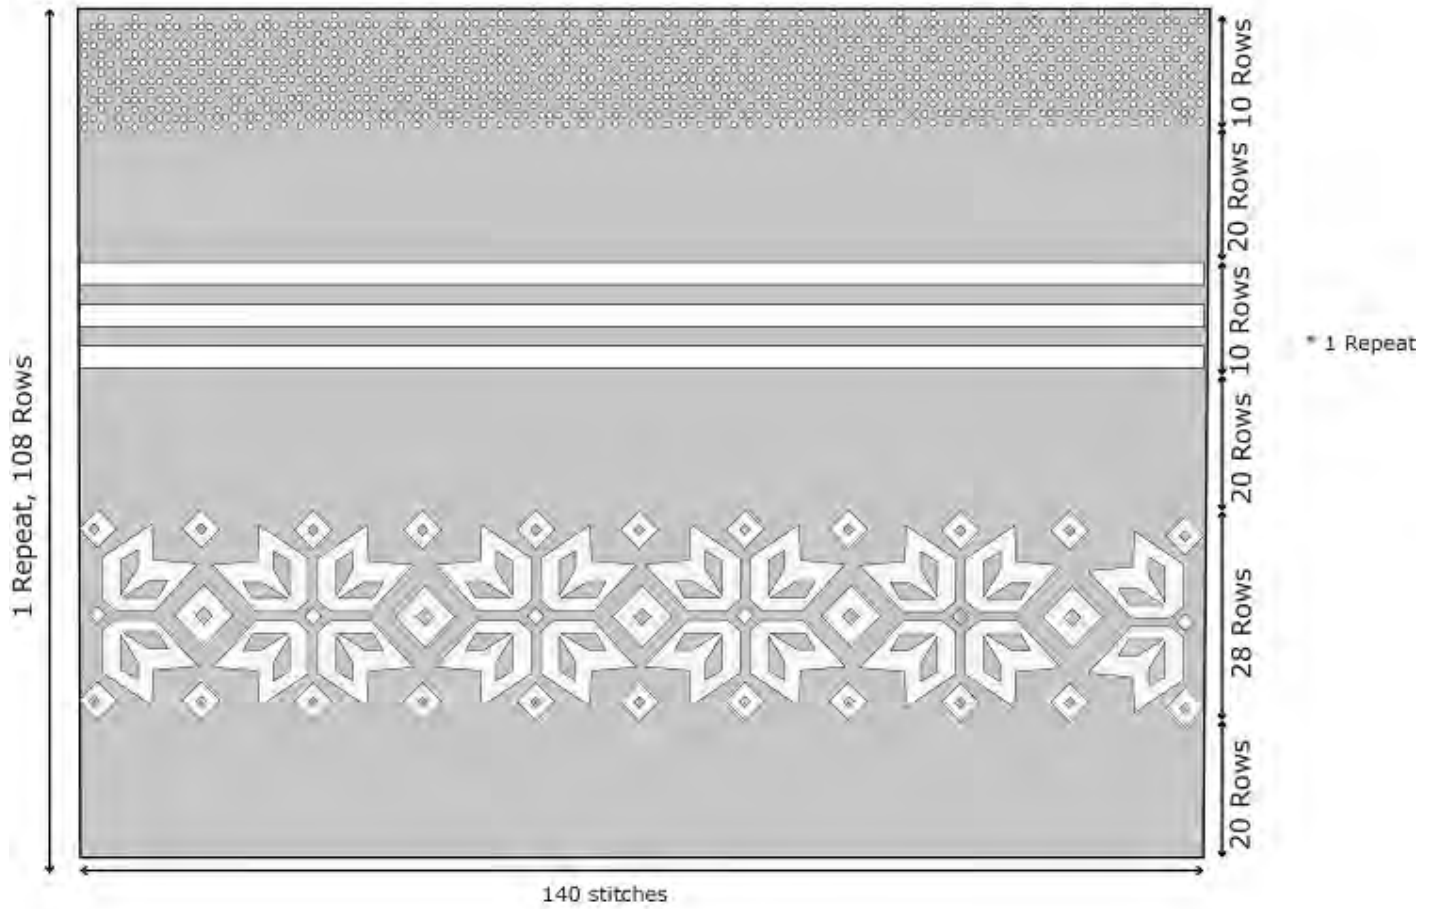

To finish the scarf, wash the fabric in luke warm water and a little fabric detergent will take out any natural oil from the yarn and soften the finish. We then spun out excess water on the spin cycle in the washing machine and then dried it in a warm tumble dryer.

Star Cowl

* Knitted on a 5g Machine,
using Tension 8

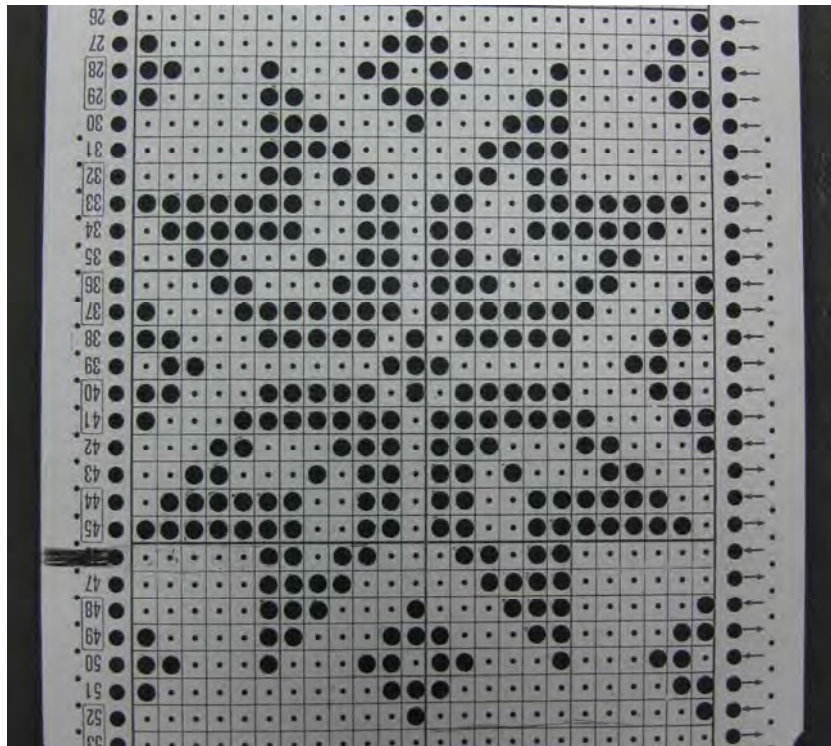

*Knit 5 Repeats of the
Pattern

Punch Card Design

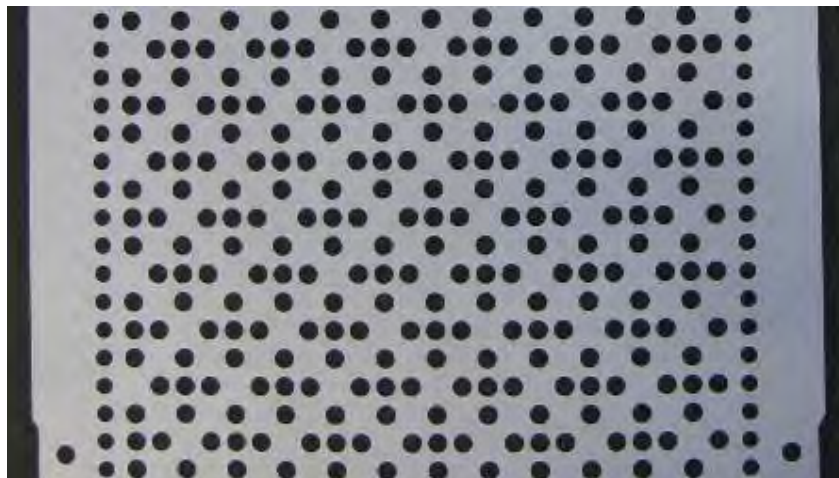

Star Jacquard

This punch card is a 5 gauge card, we have chosen to use the star design, as above. The pattern repeat is over 24 stitches, and the pattern is 27 rows in total.

Diamond Dot

This is the Diamond Dot card using for 10 rows of this card.

Star Cowl

To Make:

- ❖ Loosely e-wrap 140 stitches
- ❖ Knit 20 Rows**

To create the repeat Jacquard:

- ❖ Set up the punch card in the machine
- ❖ Set carriage to KC
- ❖ Knit 1 row to set the punch card to its starting row, bringing the needles forward across the whole bed, use the pattern as an all over repeat
- ❖ Set carriage to MC, add a second yarn into feeder B
- ❖ Knit 27 Rows of the pattern
- ❖ Return carriage to "NL" and remove the punch card
- ❖ Knit 20 Rows Plain
- ❖ Knit a 2x2 stripe sequence over 10 Rows changing colour every 2 Rows
- ❖ Knit 20 Rows
- ❖ Now using the diamond dot punch card, set the carriage and card with colours in both feeders and Knit 10 rows of the pattern**

This is 1 repeat complete, repeat your pattern sequence 5 times from ** to end, for 540 Rows.

To cast off the scarf on the machine, hang the e-wrap edge onto the last knit row, stitch for stitch, create a loose row and cast off using the latch tool.

Steam, finish all you ends and wash in the same way as for the sweater!

MAKE A STAR SCARF

Star Scarf

This pattern makes a Scarf using the repeat Jacquard pattern, the Star, used above as a half pattern, the Diamond Dot pattern, Dot Pattern and a Stripe sequence as before. You will need access to a machine with a jacquard facility and you will need to a blank punch card and puncher to make this same design as we have used, or you can use a punch card of your choice.

The finished dimensions after washing are:

- ❖ Width: 33cm
- ❖ Length: 170cm

This scarf was made on a standard 5gg domestic knitting machine on tension 8 using 1 end of 2/15s Lambswool. This is only a guide as machine tensions vary according to make and user.

The tension that needs to be matched is in 10cm there is 40 rows and 32 stitches, this is the washed tension.

In order to change the size, simply calculate the rows and stitches and add or subtract these to create a wider/longer scarf.

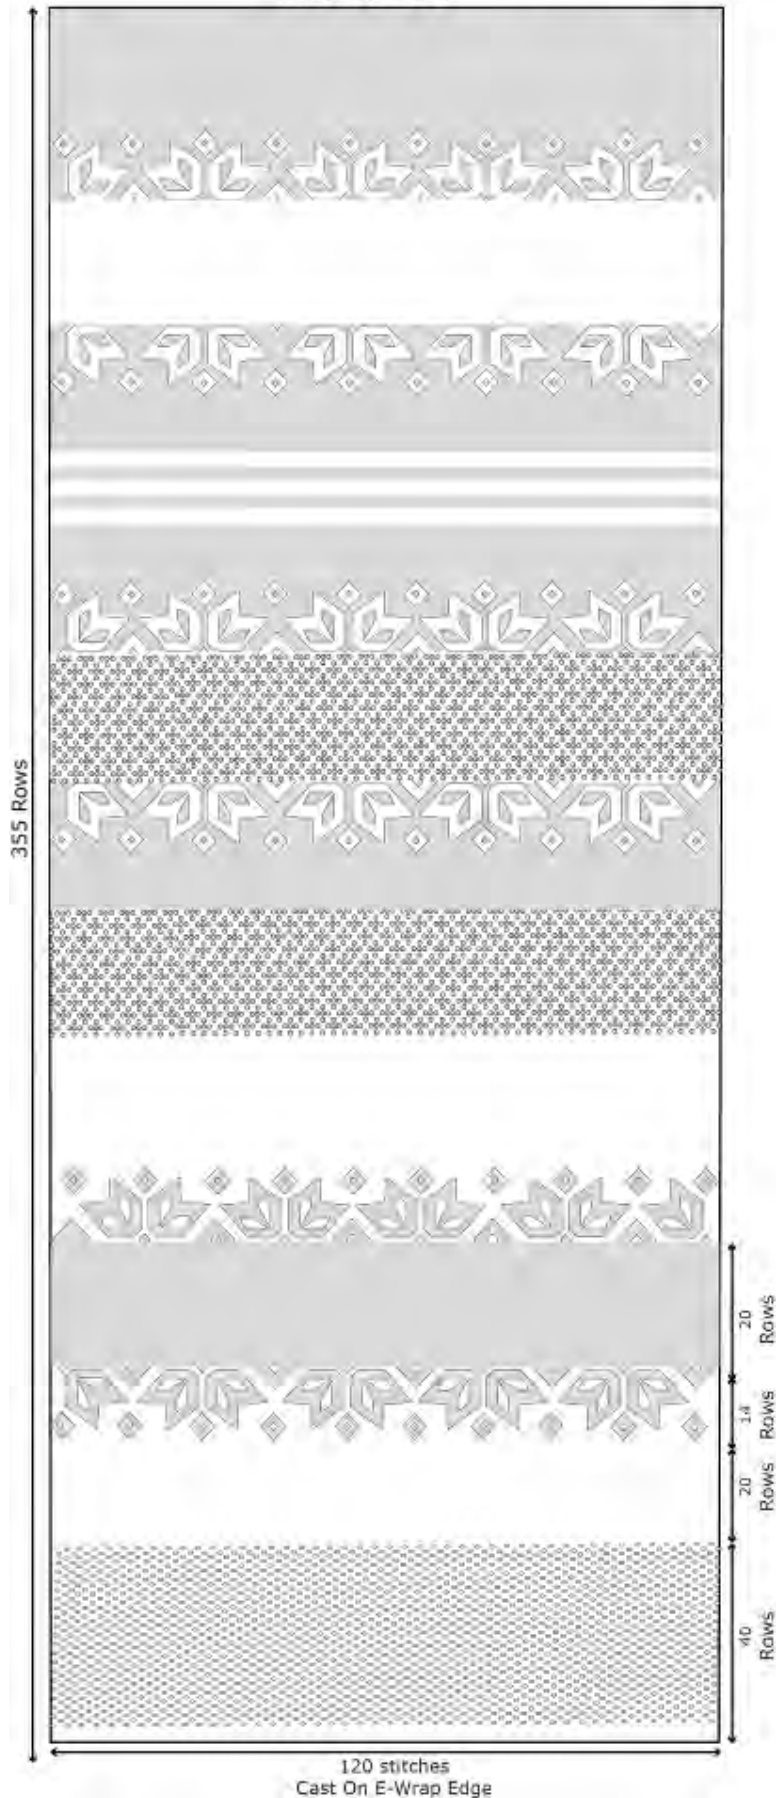

The scarf is cast off together on the machine, rehanging the e-wrapped edge onto the machine once your pattern repeats are complete.

To finish the scarf, wash the fabric in luke warm water and a little fabric detergent will take out any natural oil from the yarn and soften the finish. We then spun out excess water on the spin cycle in the washing machine and then dried it in a warm tumble dryer.

Star Scarf - Half A

Cast Off Edge

* Knitted on a 5g Machine,
using Tension 8

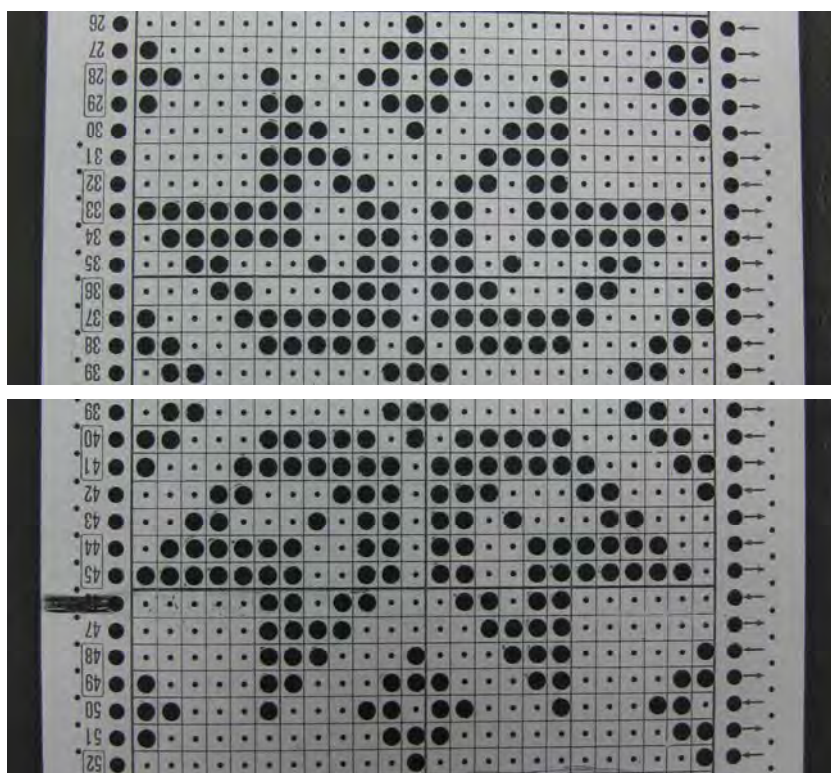

* Repeat this sequence of
patterning alternating your
colours and patterns

Punch Card Design

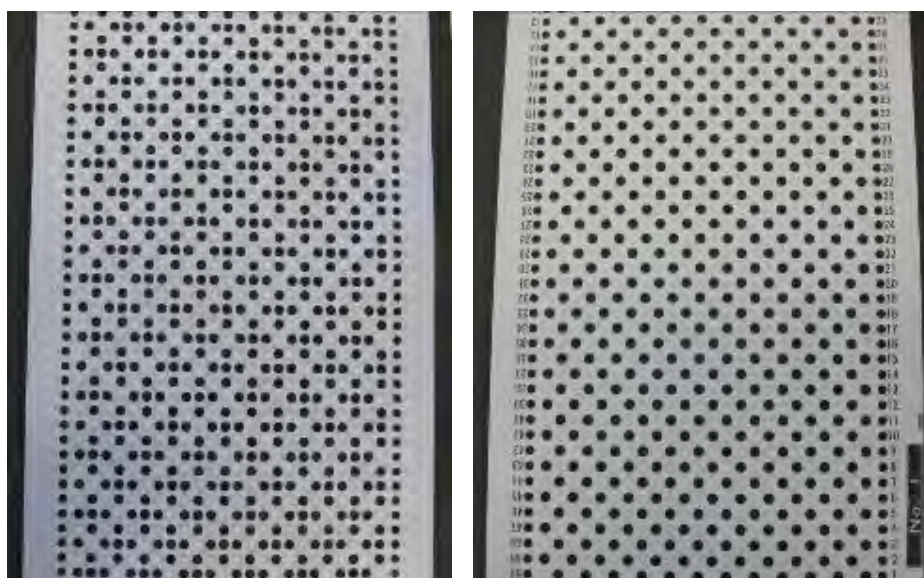

Star Jacquard

This punch card is a 5 gauge card, we have chosen to use the star design, as above. The pattern repeat is over 24 stitches, and the pattern is 27 rows in total. We have split the pattern in two and used 2 halves at 14 Rows each.

Diamond Dots & Dots Jacquard

We have also used this Diamond Dot card, and knitted 20 rows of this card and a Dot card knitting 40 Rows or 20 of this card.

Star Scarf

To Make:

For this scarf we have created a variation on the Cowl by using the same punch cards, tension and yarn, we have just used a half repeat of the Star Pattern and used alternate colour ways, switching between knitting in feeder A or feeder B with our yarn. We have also altered the length and width,

- ❖ Loosely e-wrap 120 stitches
- ❖ Knit 11 Rows

You then want to create the Dot Jacquard motif:

- ❖ Set up the punch card in the machine
- ❖ Set carriage to KC
- ❖ Knit 1 row to set the punch card to its starting row, bringing the needles forward across the whole bed, use the pattern as an all over repeat
- ❖ Set your carriage to MC, add a second yarn into feeder B
- ❖ Knit 40 Rows of the pattern
- ❖ Return carriage to "NL" and remove your punch card*
- ❖ Knit 20 Rows

You then want to create the Bottom Half Star Jacquard motif: *

- ❖ Set up the punch card in the machine
- ❖ Set carriage to KC
- ❖ Knit 1 row to set the punch card to its starting row, bringing the needles forward across the whole bed, use the pattern as an all over repeat
- ❖ Set carriage to MC, add a second yarn into feeder B
- ❖ Knit 14 Rows of the pattern*
- ❖ Repeat these steps from *to* Knitting the Top of the star pattern, registering the starting row halfway through the motif this time to knit the top half of the motif
- ❖ Knit 20 Rows

Then create the repeat Diamond Dot Jacquard motif:

- ❖ Set up the punch card in the machine
- ❖ Set carriage to KC

- ❖ Knit 1 row to set the punch card to its starting row, bringing the needles forward across the whole bed, use the pattern as an all over repeat
- ❖ Set carriage to MC, add a second yarn into feeder B
- ❖ Knit 20 Rows of the pattern
- ❖ Return carriage to “NL” and remove the punch card*
- ❖ Knit 20 Rows
- ❖ Then knit a 4x5 Row stripe sequence alternating the colour choice

Then create the Top Half Star Jacquard motif:

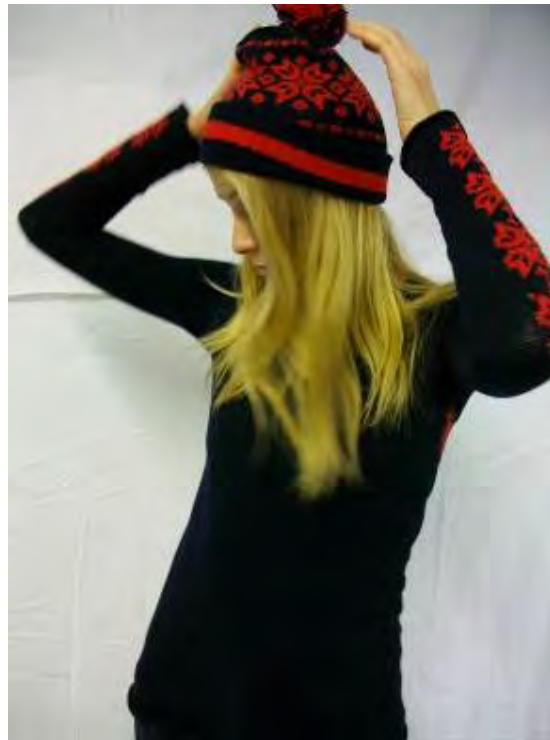

- ❖ Set up the punch card in the machine
- ❖ Set carriage to KC
- ❖ Knit 1 row to set the punch card to its starting row, bringing the needles forward across the whole bed, use the pattern as an all over repeat
- ❖ Set carriage to MC, add a second yarn into feeder B
- ❖ Knit 14 Rows of the star pattern
- ❖ Knit 20 Rows Plain
- ❖ Knit 20 Rows of the Dot Pattern
- ❖ Knit 20 Rows Plain
- ❖ Knit 14 Rows of the Bottom Half Star Motif
- ❖ Knit 20 Rows Plain
- ❖ Knit 14 Rows of the Top Star Motif
- ❖ Knit 20 Rows Plain
- ❖ Knit another 4x5 Row stripe sequence alternating the colour choice
- ❖ Knit 20 Rows Plain
- ❖ Knit 14 Rows of the Bottom Half Star Motif
- ❖ Knit 20 Rows of the Diamond Motif
- ❖ Knit 14 Rows of the Top Star Motif
- ❖ Knit 20 Rows Plain
- ❖ Knit 20 Rows of the Diamond Motif
- ❖ Knit 20 Rows Plain
- ❖ Knit 14 Rows of the Bottom Half Star Motif
- ❖ Knit 20 Rows Plain
- ❖ Knit 14 Rows of the Top Star Motif
- ❖ Knit 20 Rows Plain
- ❖ Knit 40 Rows of the Dot Motif
- ❖ Knit 11 Rows

Create a loose row and cast off with the latch tool

Steam, finish all you ends and wash, spin and tumble dry in the same way as the sweater!

MAKE A STAR BOBBLE HAT

Star Bobble Hat

This pattern makes a Hat using the repeat Jacquard pattern, the Star, Dot Pattern and a Diamond Pattern. You will need access to a machine with a jacquard facility and you will need to a blank punch card and puncher to make this same design as we have used, or you can use a punch card of your choice.

The finished dimensions after washing are:

- ❖ Width Hem: 24cm
- ❖ Length to Bobble: 24cm

This hat was made on a standard 5gg domestic knitting machine on tension 8 using 1 end of 2/15s Lambswool. This is only a guide as machine tensions vary according to make and user.

The tension that needs to be matches is in 10cm there is 40 rows and 32 stitches, this is the washed tension.

In order to change the size, simply calculate the rows and stitches and add or subtract these to create a bigger/smaller hat.

To finish the hat, wash the fabric in luke warm water and a little fabric detergent will take out any natural oil from the yarn and soften the finish. We then spun out excess water on the spin cycle in the washing machine and then dried it in a warm tumble dryer.

We have also made a video on YouTube showing you how to make an Easy PomPom for the Bobble of your hat,

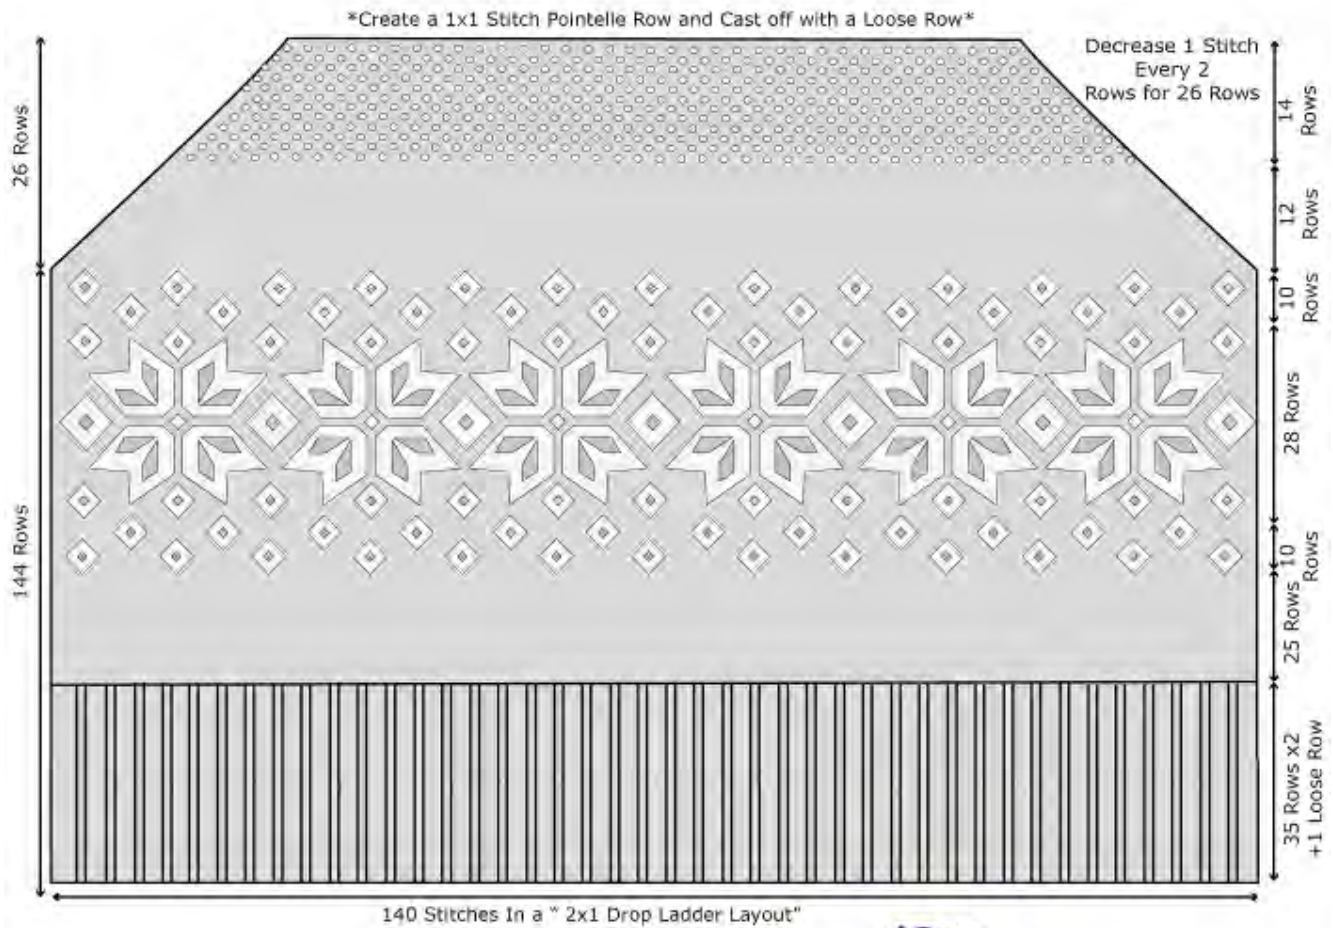

Search for this using “Knit Design Courses Easy Pompom”, in YouTube or at:

<http://www.youtube.com/watch?v=6bAhBeFXi6Q>

Star Bobble Hat

* Knitted on a 5g Machine,
using Tension 6.5

*You can use any patterns you like to create your hat.

*Try different colours aswell.

*We also have made a video on You-Tube showing you how to make a Easy PomPom for the Bobble of your hat, See here:

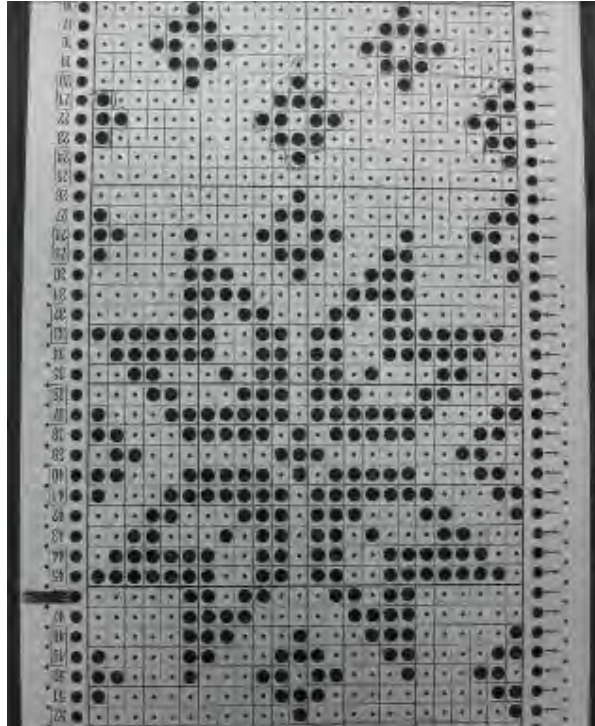

<http://www.youtube.com/watch?v=6-bAhBeFXi6Q>

Punch Card Design

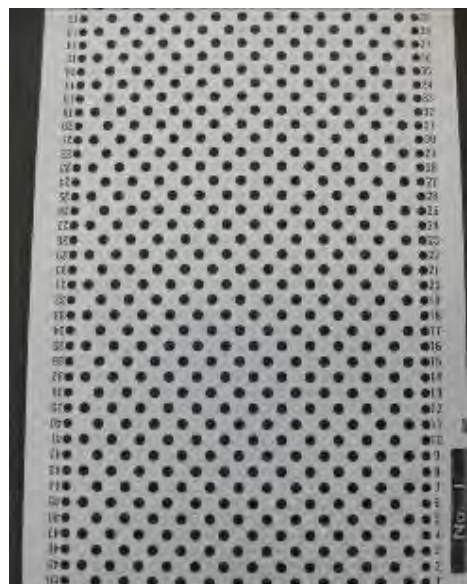

Star Jacquard

This punch card is a 5 gauge card, we have chosen to use the star design, as above. With an additional Diamond Motif. The star pattern repeat is over 24 stitches, and the pattern is 27 rows in total. The Diamond is over 10 Rows, you will need to turn your card around to have this pattern either side of your star.

Dots Jacquard

This is the Dot card, 14 Rows of this card have been knitted.

Star Bobble Hat

To Make:

For this Bobble Hat, we have used the star and dot punchcards as above, we have also created a folded hem , needle out detail at the bottom of the hat.

- ❖ Loosely e-wrap 140 stitches in a 2x1 Needle out layout
- ❖ Knit 35 Rows
- ❖ Knit 1 Loose Row (on T10)
- ❖ Knit 35 Rows
- ❖ Hang up the e-wrap edge onto the stitches on the machine bring all needles into action
- ❖ Knit 25 Rows

To create the Star Jacquard motif:

- ❖ Set up the punch card in the machine
- ❖ Set carriage to KC
- ❖ Knit 1 row to set the punch card to its starting row, bringing the needles forward across the whole bed, use the pattern as an all over repeat
- ❖ Set carriage to MC, add a second yarn into feeder B
- ❖ Knit 48 Rows of the pattern (including 2 Diamond Repeats)
- ❖ Return carriage to "NL" and remove the punch card*
- ❖ Decrease 1 stitch every 2 rows for 12 rows

Now create the Dot Jacquard motif:

- ❖ Set up the punch card in the machine
- ❖ Set carriage to KC
- ❖ Knit 1 row to set the punch card to its starting row, bringing the needles forward across the whole bed, use the pattern as an all over repeat
- ❖ Set carriage to MC, add a second yarn into feeder B
- ❖ Knit 14 Rows of the pattern, still decreasing 1 stitch every 2 rows
- ❖ The row counter should be on 170 Rows in total. Now create a 1x1 pointelle detail along the top of the knitting
- ❖ Cast off by running a thread through the stitches to create a draw thread
- ❖ Pull this tight and secure

To Make Up:

- ❖ Once the draw thread is secure, fold the hat in half and, from the inside. sew up by hand or cast off on the machine.

Steam, finish all your ends and wash in the same way as the sweater!

*Don't forget to make a Bobble!

MAKE A STAR POOCH SWEATER

Star Pooch Sweater

This pattern makes a Dog Coat using the repeat Jacquard pattern, the Star, used above, and a Stripe sequence. You will need access to a machine with a jacquard facility and you will need to a blank punch card and puncher to make this same design as we have used, or you can use a punch card of your choice.

The finished dimensions after washing are:

- ❖ Width: 26cm
- ❖ Length: 43cm
- ❖ Sleeve: 10cm x 9cm

This was made on a standard 5gg domestic knitting machine on tension 8 using 1 end of 2/15s Lambswool. This is only a guide as machine tensions vary according to make and user.

The tension that needs to be matched is 10cm there is 40 rows and 32 stitches, this is the washed tension.

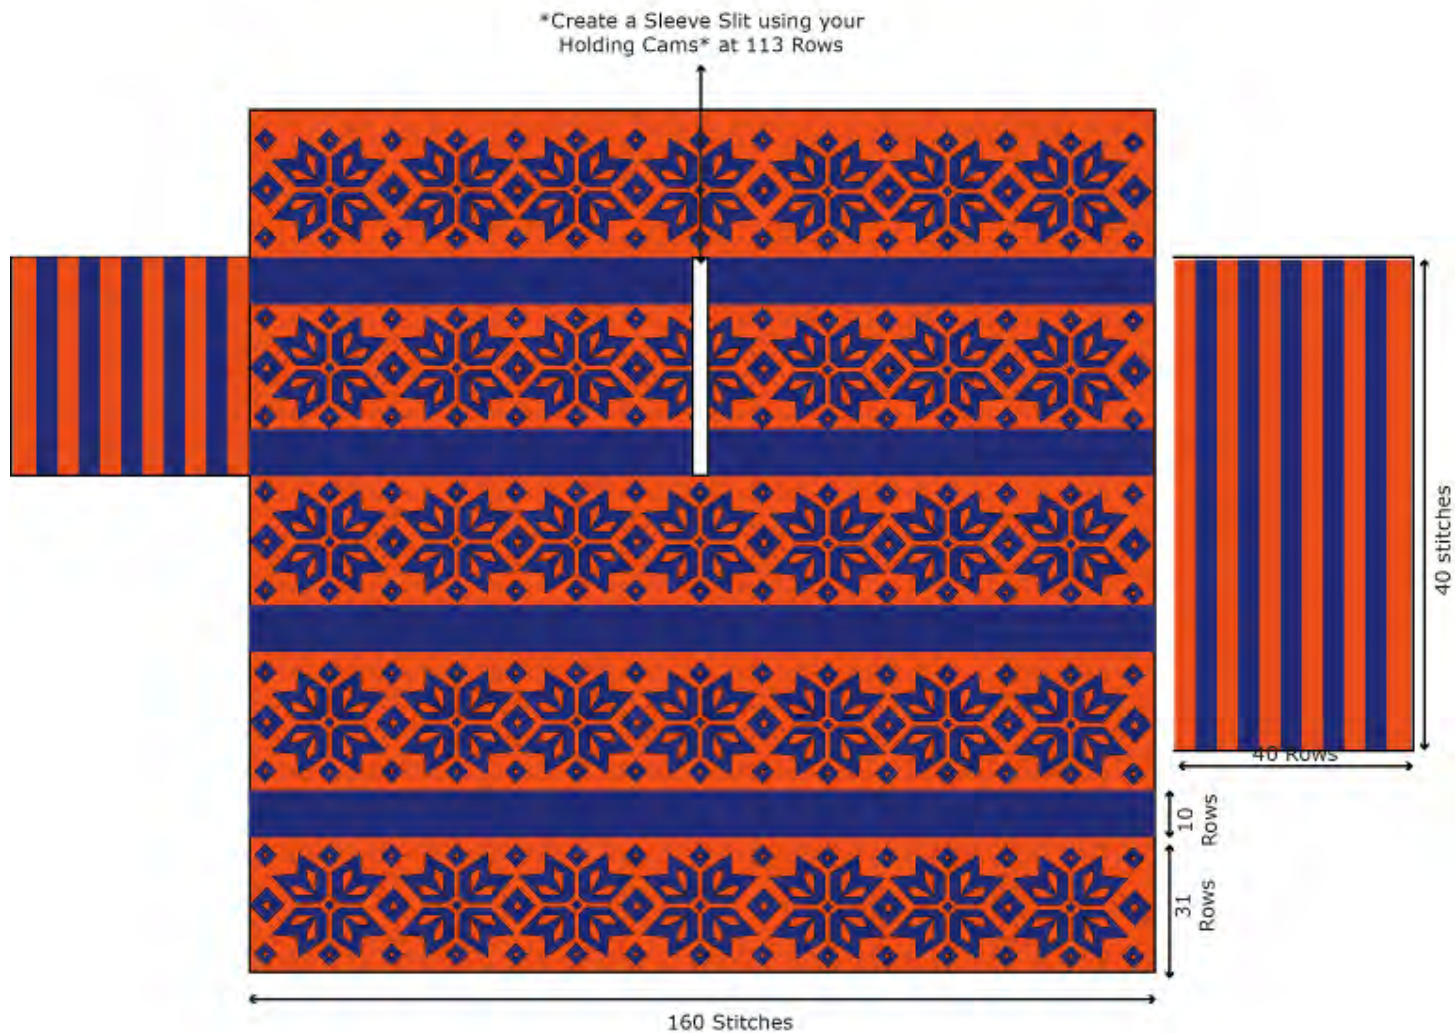

The coat is made in 3 pieces.

To finish, wash the fabric in luke warm water and a little fabric detergent will take out any natural oil from the yarn and soften the finish. We then spun out excess water on the spin cycle in the washing machine and then dried it in a warm tumble dryer.

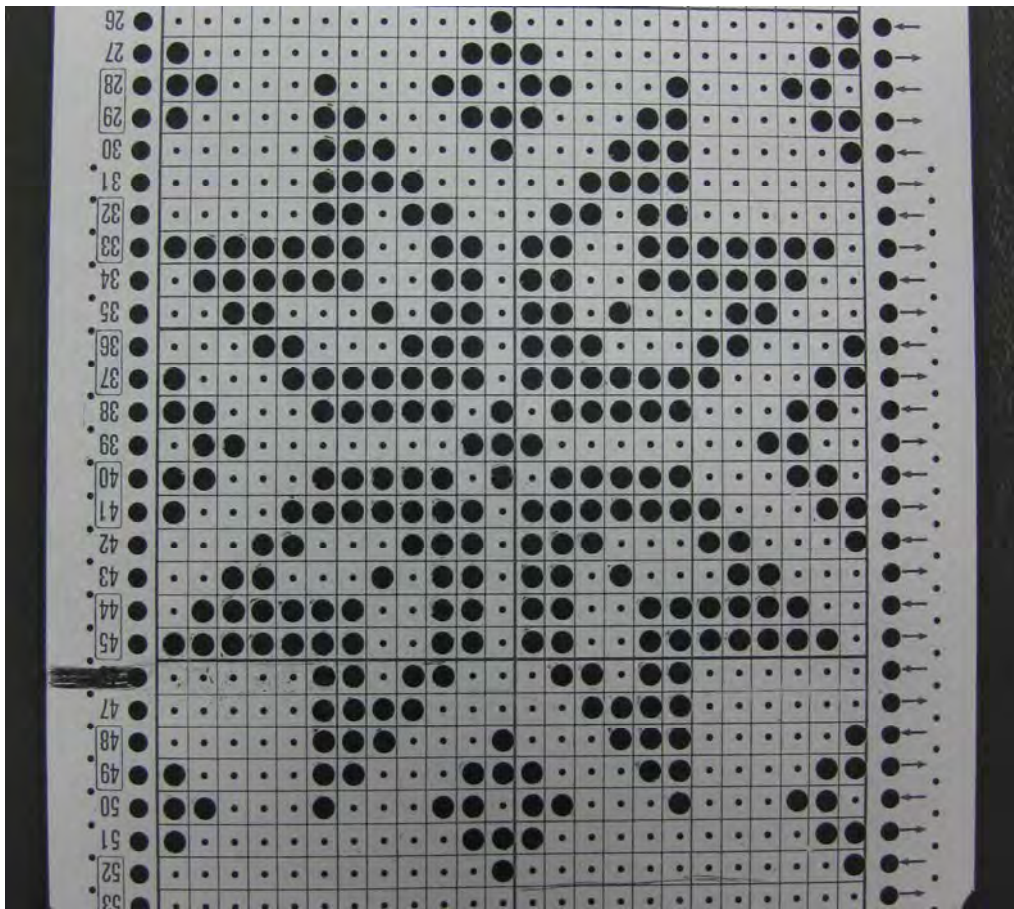

Star Pooch Sweater

* Knitted on a 5g Machine,
using Tension 8

Punch Card Design

This punch card is a 5 gauge card, we have chosen to use the star design, as above. The pattern repeat is over 24 stitches, and the pattern is 27 rows in total.

Star Pooch Sweater

To Make the Body:

- ❖ Loosely e-wrap 160 stitches
- ❖ Knit 1 Row

Create the Star Jacquard motif:

- ❖ Set up the punch card in the machine
- ❖ Set carriage to KC
- ❖ Knit 1 row to set the punch card to its starting row, bringing the needles forward across the whole bed, use the pattern as an all over repeat
- ❖ Set carriage to MC, add a second yarn into feeder B
- ❖ Knit 27 Rows of the pattern
- ❖ Knit 2 Rows
- ❖ Knit a 10 Row stripe in a contrasting colour
- ❖ Repeat this until row 113
- ❖ Use the holding cams, create a sleeve slit in the centre of the knitting
- ❖ Put half the knitting on “hold” using “H” on your carriage
- ❖ Knit 51 Rows on the knit half continuing the stripe and jacquard motif
- ❖ Do the same on the 2nd half
- ❖ Bring all needles back into action, cancel the holding cams and knit all needles for 31 Rows, knitting one more star motif
- ❖ Cast off with a loose row and cast off with the latch tool

To Make the Sleeve:

- ❖ Loosely e-wrap 40 stitches
- ❖ Knit 4 Rows in one colour
- ❖ Knit 4 Rows in another colour

Cast off with a loose row and cast off with the latch tool

To Make Up:

- ❖ Fold the body in half and either sew up by hand or cast off on the machine
- ❖ Fold the sleeve in half and either sew up by hand or cast off on the machine
- ❖ Then attach the sleeve to the body in place as shown in your pattern

Steam, finish all you ends and wash in the same way as the sweater!

Here is our story , well a particular part of it

Sue and I met at a jumble (that`s second hand clothes) sale in our village, Old Basing near Basingstoke, Hampshire in 1978 !!!

After our respective University and Polytechnic Courses we set up in Brighton in 1983. We called our label "Pretty Blue Guns" after one of our favourite Tom Waits` tracks. We were lesser known contemporaries of Body Map, John Flett, Martin Kidman of Joseph and all that crowd of British design hopefuls eons back at the dawn of time.

We were marvellously supported and encouraged by Steve & Iona Hudson, of New Masters, Kings Road, London and then by Stuart McKay & Peter Sidell (now owner of The Library, in South Kensington) of Jones of Kings Road and later Floral Street. We had US sales to Macys and Neiman Marcus and various other accounts but after about 3 years we couldn`t really make the line pay, nevertheless our garments had come to the notice of an Italian company called Agenco of Modena and as a result we got great experience for the first time working in Italy on one of their knitwear lines called Portobello`s. This and Sue`s earlier employment in the Far East with US brand Williwear gave us the necessary commercial understanding to separately work for Next , Henry Lloyd and Boules. All these were very useful experiences.

Pretty Blue Guns had also been noticed by our now long-time friends Chris Matthews & Philippa George of ` The Collection`, the design studio for whom we started producing one off knit designs in 1987 and still work with today. Our own design collection started with a first trip to New York in 1991 under the catchy banner of our combined surnames `Dykes Enticknap` which luckily in year 2000 with the on-set of the dot com age was transmuted into the rather more generic user friendly Knit-1 Ltd www.knit-1.com . Design sales were growing rapidly and we needed more space so moved to our existing premises, a 3,500 sq ft former engineering works which we completely refurbished to our design business requirements. We have sold designs to and worked with most of the big global fashion brands.

In 2008 we set up our Design Courses www.knitdesigncourses.com . Somewhat frustrated by the practical skills levels which were lacking in the portfolios of knit graduates and undergraduates we had been seeing for some time we set about devising our intensive courses. We wanted to offer a completely new way to learn knit design & make that would appeal to not just students, technicians and tutors but industry professionals, ambitious designers and knit design enthusiasts. In fact the courses appeal to any aspiring individual wanting to progress in the field of machine knit design and knitwear for the fashion industry.

The courses take place in the design business environment offered by Knit-1 Ltd at the company's well equipped premises in Brighton, UK. Many elements of the courses have references to selected high profile customers of the company which further distinguishes the courses from what can be offered by traditional academic institutions. Hence we can deliver the required practical skills to advanced levels in knitwear, knit design & make, print and embroidery in rapid time.

The courses are now very well established and have proved themselves through the positive feedback received and the attainment of jobs in the fashion industry by course participants. It takes the knowledge of a fashion business to know what other businesses want from their prospective employees. Furthermore many of our participants have also set up their own businesses after taking one of our courses.

That's it so far.....
