# Jacquard punchcard

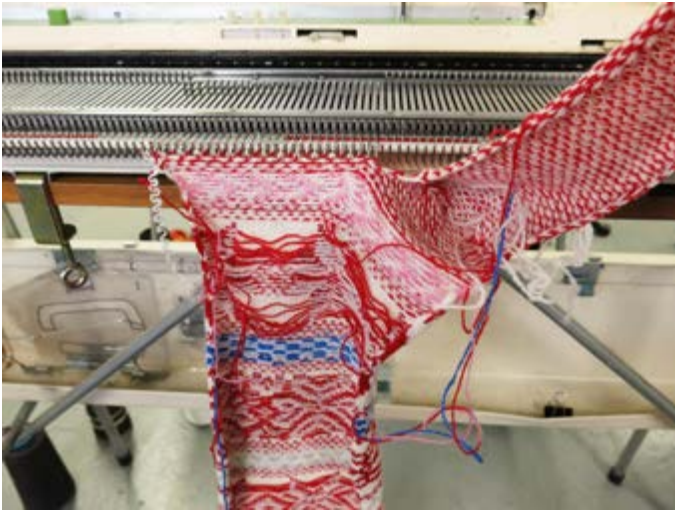

We have recalculated the stitches and rows in the pattern to accommodate the jacquard technique and achieve the correct size.

Knit the cuff, leg and ankle. Take off half of the knitting (top of foot section) on wasteyarn. Knit the heel, sole and toe (we have chosen a 'spot' pattern) and cast off.

Unravel the waste yarn and rehang the raw stitches. Line up the punch card to continue the jacquard pattern. Knit the top of the foot and cast off. Hand sew together.

Mirror the pattern for the other sock.

Wash with soap to remove the oil from the yarn (if you have used wool) and dry.

## Design variations

---

You can adjust the size of the sock by adding or reducing the amount of rows in the foot and the leg. This size 4 pair follows the patten of the stripe sock but the leg is 32r with no shaping and the foot is 52r.

These baby socks were made by reducing the stitches to 46 and reducing the rows to 22r for the leg and 27r for the foot. They would fit 18 months - 2yrs.
